HEALTHPRO

HERITAGE

COMPANY OVERVIEW

HealthPRO Heritage is one of the nation's largest providers of Health Care Consulting, Strategy, Reimbursement and Clinical/Therapy Services. The Company is a proven industry leader, offering custom-built partnerships that support a diverse client base representing the full continuum of care (Acute Care, Skilled, Outpatient, Independent/Assisted Living, Memory Care, CCRC, and Home Health).

A decidedly proactive approach -- combined with an ability to harness market analytics + predictive analytics and deep clinical / strategic expertise -- is designed to accelerate enterprise-wide success and drive positive ROI. Outcomes consistently outperform industry averages ([as demonstrated by higher-than-average Star Ratings & performance outcomes](#)) and, therefore, prepare clients for reform initiatives, network inclusion and future success amidst a challenging and ever-changing environment.

[Members of the HealthPRO Heritage Clinical Strategies Division](#) are sought after to provide insight and guidance for national/regional industry associations, serve on advisory boards, and offer comment to many leading industry media outlets. Also, HealthPRO Heritage participates in National Research Grants with current clients and enjoys a reputation as "White Hat Advisors" to several health care systems and legal firms nationwide.

Most recently, HealthPRO Heritage has earned national recognition for a robust and rapid response to the COVID-19 public health emergency and other regulatory/reimbursement changes, inclusive of an unwavering commitment to assuring staff, patient, and client safety and sustainability.
