

Alex Mostoller

Director of Respiratory Care Ohman Family Living

Alex Mostoller is the Director of Respiratory Care at Ohman family Living since 2016. Alex received a Bachelor's degree from Youngstown State University and is a Registered Respiratory Therapist, Registered Polysomnographer, and certified in Pulmonary Rehabilitation. Alex has also published research through the American Association for Respiratory Care.

Alex's experience in DME, sleep disorder centers and teaching at Youngstown State University has made him a well-rounded therapist with a unique set of skills. He has successfully managed a COVID-19 unit in a skilled nursing facility and has recently opened a state-of-the-art ventilator unit.

Alex's focus at Ohman Family Living is creating great relationships and marketing with hospitals and doctors while putting emphasis on decreasing readmission rates, decreasing length of stay. Alex concentrates heavily on staff and patient education and believes a caring, well-educated multidisciplinary team is essential for the health and well-being of each resident they treat.
