LOCAL GOVERNMENT ENTITY SERVICES

EXPERIENCE MATTERS

Whether large or small, local governments must continually be aware of compliance regulations and be able to provide accurate and timely financial information to everyone from government officials to citizens. Often you are faced with these challenges with fewer and fewer resources. The Brown Edwards Local Government Entity Services Group understands your budgetary constraints and the regulatory environment within which you operate. We have over 30 years of experience conducting local government audits and dealing with the associated issues which make them unique. Our experience allows us to give ongoing assistance beyond the required audit report. We also develop strong relationships with our clients and interact with management throughout the year, whether it be on-site visits or during our annual governmental conference.

SERVICES OFFERED

- Financial audits
- Compliance audits
- Outsourced internal audit functions
- Operations audits and strategic planning
- School construction project audits
- Official statement-bond offering reviews

"The staff at Brown Edwards has served as much more than auditors. They have become a partner with the City of Winchester. They continually give us the guidance and expertise we need to navigate through new mandates and they offer solutions that fit our needs as a small government. The audits are consistently thorough and their focus is on customer services; their staff is always available to us throughout the year if we need assistance."
