

## **EXECUTIVE BOARD MEMBER**

### **PAST CHAIR**

#### **VISION**

A healthcare industry equally led by women

#### **CHARTER**

Professional Women in Healthcare is an organization dedicated to ongoing development for women in the healthcare businesses. We are a volunteer-led member organization providing a national voice and progressive leadership for women in healthcare manufacturing and distribution industries. Our mission is to empower women to lead and succeed.

Our goal is to reach all women in our industry and empower them in their personal and professional lives. We want to create a viable network of women and men to whom women can reach for professional development through mentoring. We want to provide educational venues that encourage networking and create opportunities for development. Our goal is to leave our industry better than we found it for the women who follow.
