

# Loan Forgiveness for Internships

Studies have shown that students who have an internship are more likely to receive a job offer after college. RISLA's Loan Forgiveness for Internships program aims to help reduce student loan indebtedness while helping students improve their marketability to employers after college.

## Program Benefits

Students can earn loan forgiveness up to \$2,000 by completing an eligible internship and applying for RISLA's Loan Forgiveness for Internships program within one year of graduation. Loan forgiveness will be awarded to qualifying borrowers on non-federal education loans held by RISLA with an outstanding balance. Students must submit an application to RISLA within one year of college graduation in order to be considered for this program.

If eligible, applicants will be awarded loan forgiveness up to \$2,000 after graduation. In cases where the outstanding RISLA Student Loan balance is less than \$2,000 at the time under which the student becomes eligible for this program, the student shall receive a credit on their *outstanding balance only*.

## RISLA Loans

Sometimes salary, savings, grants, and scholarships are not enough to cover college costs. At RISLA, we encourage you to take advantage of the Federal Direct Subsidized and Unsubsidized Loan program as your first option if you need to borrow.

**If you have borrowing needs that extend beyond the federal student loan limits, RISLA can help.**

RISLA is a state-based, non-profit agency that has been providing affordable college loan solutions since 1981. RISLA's loans have fixed interest rates, no pre-payment penalties, and an easy online application.

Before you borrow with RISLA - or any lender - you should make sure you understand your obligations, including the rate, fees, and repayment terms of your loan. We encourage you to visit us at [risla.com/tools-calculators](https://www.risla.com/tools-calculators) to use our online financial literacy tools which can teach you to borrow more responsibly.
