Drone Insurance

powered by **PRECISION AUTONOMY**

Precision Autonomy is an Insurtech provider with a digital end-to-end insurance platform enabling JKJ brokers to profitably deliver small policies such as Commercial Drones. Precision Autonomy has nearly 10 years' drone underwriting and claims data experience to help you support and advise your clients.

REDUCE TIME TO QUOTE

Brokers can get a quote within minutes completing a quote form, with only critical questions required to calculate the risk and subsequent price.

DIGITAL BIND AND ISSUE

Documents are digitally auto-generated and sent to the broker and insured.

RENEWALS

Brokers receive advance renewal notification.

DIGITAL AMENDMENTS

Amendments can be submitted through the platform.

CLIENT SELF-QUOTE OPTION

Brokers can provide clients with broker branded access to self-quote.

MANAGEMENT REPORTING

The platform tracks broker and staff access for commission distribution and reporting.
