FACEBOOK: How to Share

Resharing a post on Facebook is quick and easy. Follow these simple steps:

2. Click on the "Share" icon

3. After you click "Share," the dropdown menu should appear. Select the "Share..." option. A pop up of the content with a message box will appear. On the top left, select how you would like to share this post. We recommend to select "Share on Your Timeline" 4. Feel free to say something about this shared post. If you prefer not to comment, click the "Post" icon. The shared post will immediately appear on your timeline

* Please feel free to Google any additional share needs you might have! Source: Facebook

There are multiple ways to reshare a post on Instagram. Just follow these simple steps:

Find the Instagram post you want to share and click on the 3 dots upper right

This screen will show up with all sharing options, choose the one you want
