1. INTRODUCTION

The RentHelpMN program allows tenants to submit online applications or submit paper application to request assistance with rent and other eligible expenses. The Program Team will review the tenant’s income and other submitted documents to determine eligibility. Landlords can assist tenants in submitting efficient and successful applications by:

✓ Providing tenants a copy of their current lease
✓ Providing tenants a ledger or rent due statement
✓ Providing tenants with the business name and address used for payment information
✓ Providing tenants with a copy of their income certification for affordable housing, so long as the income determination was made on or after January 1, 2020

Landlords can also use the system to generate applications for their tenants to complete. Please note that creating an application as a landlord/property owner only creates a limited application. No application is complete without tenant-provided eligibility and income documentation and tenant signatures. Due the private nature of the eligibility documents and the required signatures, a landlord cannot complete a tenant application wholly on their own.

For all eligible rent and fees payable to the landlord, the Program Team will first attempt to pay directly to the landlord per the Emergency Rental Assistance guidance. If the landlord is non-responsive or declines to participate in the program, RentHelpMN will make payment available directly to the tenant.

The online system facilitates the connection between properties, payment accounts, and applicants for assistance. A landlord or property owner (or their approved proxy) can register their property and payment details directly in the online application portal.

1.1 Landlord Roles in the Online System

Register and Create an Account

Before registering, please review all material in this guide and the template organizer. If landlords have all documentation and information noted in the organizer on hand when registering, the process will go much more smoothly.

On their own, or after a tenant has completed the application, landlords can set up user accounts to manage portfolio payments. Users can log back in, which requires two-factor authentication to a valid phone number or email address.

Landlords are required to upload documents and provide information on each property to be eligible to connect accounts and accept payment.

✓ A completed W-9 for the property owner with a valid Tax ID Number or Social Security Number for the owner.
✓ ACH payment information and a completed EFT form unless check payment is preferred.
✓ The valid business name of the ownership entity for each property.

The most recent IRS notice related to the taxable nature of Emergency Rental Assistance funds provided under this program is posted on RentHelpMN.org.

**Important:** Larger management companies should coordinate and designate roles that may include a dispersed model where regional or site management staff establish accounts or centralized where someone in the corporate office sets up and connects landlord accounts. While multiple users can view properties, coordinating ahead will help to avoid duplicate applications.

**Important:** Once complete information including tax and payment information is uploaded and saved for a property, the Program Team will review and verify the information. Landlord users cannot receive payments until accounts are validated. This is for the security of the program and for landlords. If incorrect or invalid set-up information is inputted, the work adding tenants and properties may be lost.

### 1.2 Landlord Actions

Once registered and logged in, a user can take the following actions:

1. **Add Properties**
   
   Owners or their legal representatives will add information on the properties in the portfolio. Each property requires the ID number, tax form, and payment type inputted even if they are the same across properties.

2. **Upload/Enter Tenants to Create an Application using the create an application button**
   
   Landlords can provide information about tenants including tenant contact information for those current tenants in units with rent owed. This option only works for tenants who have an active email address that they have provided to the landlord. When logged in this option is under the “ALL APPLICATIONS” tab.

3. **Agree to the Terms**
   
   Not all tenants submitted will qualify for assistance and payment from this program is not guaranteed for any Landlord or Property Owner.

4. **Send Tenants Applications**
   
   **Talk to your tenants before you create applications for them. If their email has been used to set up an account and they go on their own to create an account they will get an error message that the email is already in use.**
   
   Upon completion of the application on behalf of the tenants, the Head of Household will be sent an email notification asking them to complete their portion of the application.

5. **Monitor Status as Tenants Complete and Submit Their Application**
Landlords and Property Owners can login periodically to monitor the status of applications they've created or see what applications have been linked to their registered property (tenant-initiated applications). They can also check the status of payments and sum totals of expected assistance.

1.3 Preventing Fraud and Abuse
In multiple areas of the Landlord Registration and Application sections there are preventative measures to deter fraud, waste, and abuse of the federal resources. All Landlords and Property Owners participating in the program are expected to reflect only true and accurate information and where applicable detect and report potential instances of duplication of benefits or attempts at fraud.

1.4 Fraud & Duplication of Benefit Scenarios
Scenarios can range from unintentional acts by individuals with eligible needs resulting in duplication of benefit and recoupment actions to planned actions by one person or a coordinated group with the intent to deceive and defraud the RentHelpMN participants of Emergency Rental Assistance.

Examples for Duplication of Benefits:

- A household approved for RentHelpMN is also receiving assistance from other sources for the same delinquent rent amount and period.
- More than one family member of the applicant household applying for and receiving payments from RentHelpMN.

Examples for Fraud:

- An individual or group uses stolen or falsified identities and to apply for RentHelpMN.
- An unscrupulous landlord not absolving the delinquent rents despite having received the funding from RentHelpMN.

2. NAVIGATING THE ONLINE APPLICATION

2.1 Landlord View
The landing page of the application portal (shown below) includes the option to begin a new application as a tenant or to login to an existing application. Below the application buttons are key programmatic and eligibility information. Landlords and Property Owners should ensure this information is clear before proceeding.

2.3 Landlord Dashboard
Once the Landlord has registered, the dashboard they see will list all of their registered properties. When tenants apply, they indicate their Landlord and property address and their applications will then be visible by the Landlord in this dashboard.

Initially, the dashboard will be empty. For each property landlords can register the address and information to their account.

Users will also receive a confirmation email that the account has been created.
2.4 Adding a New Property

Landlord Accounts can register multiple properties. If dealing with multiple properties landlords can streamline their registration by collecting all property information into the Multiple Properties Data Template (optional Excel spreadsheet) available for download at RentHelpMN.org

**Important:** The Multiple Properties Data Template is only an organizer tool and if completed may include private data. **Do not** send this document to RentHelpMN. It will not be uploaded. This form is not required, properties may be inputted manually in the online portal.
Step 1. Property Information
The radio buttons indicate the step in the process.

“Property Name” is the complex or property name tenants will know, such as “Daisy Hill Farms on 4th Street,” “Longview Estates,” or “The Willows.”

“Street Address” is the location of the complex or property. The system will look up addresses behind the scene – select the property address once see it in the list, or type it in. Note that each individual address in the complex will need to be entered.

Select the role - either as the Property Owner or Property Manager.

Add the Property Owner information as it appears on the W-9 (this is the entity that will receive payment for this address).
If the Property Management firm or individual is the same as the Property Owner, indicate by checking the box. If the Property Management firm or individual is different, enter the appropriate information.

It is important to enter the information for the payee (whomever will be receiving the payments for any rents and fees due) in the **Property Owner Company Name** field. This is the entity that will receive the payments for this property, and must be the firm/individual named in the W-9 and payment account ownership.

The system will prompt selection of the program; select the program "COVID-19 Emergency Rental Assistance".

Click Save & Continue.
Step 2: Payment Information
The radio button tells us we are now in the payment information section.
Select the company or individual to receive payment from the dropdown list for this property.

The tax identification number (TIN) or social security number for the company or person must be entered to receive the payments. The W-9 must include this TIN or social security number.

If a W-9 is needed to complete for this property, download the form the link, or see the back of this guide (Appendix 1). Upload the completed W-9 into the system by selecting
the Upload link. Once uploaded, preview the document to check it was successfully uploaded.

Next, choose the method for payment: ACH (Automated Clearing House) or check, indicate if the account to receive payment is checking or savings, provide the routing and account numbers, and upload a copy of a cancelled check or ACH Payment Form (attached at the back of this guide as Appendix 2).
To see the uploaded document, click the “preview” icon.

Click Save & Continue.

Step 3: Add Users
Individuals may now be associated to the property, providing them access to the system. They will only be able to view information for properties associated to them as a contact. Please note that users may be able to view sensitive information such as tax forms and bank account information.
Click the “add user” button to begin (if would like to associate others with the property). If no others to add, click Save & Continue.

Provide the user’s email address (this becomes the user’s name) and click “add.”

Provide the individual’s name, phone number and role with the property and either add another user or Save & Continue.
Success – the property was added! Select “add another property” or “done.”

If select “add another property,” return to the Property Information page.

If select “done,” return to Property Owner Dashboard with a property owner’s properties. This property owner has entered 4 properties into the system.
3. INITIATING A TENANT APPLICATION

Landlords can initiate applications on behalf of their tenants behind on rent. As a reminder, this is a limited application, a completed application requires tenant-provided income and eligibility information.

Talk to your tenants before you initiate an application on their behalf. The tenant may not know that an application was created on their behalf and may not see the email. If the tenant self-initiates an application they may get an error message that their email has already been registered, which could cause concerns for the tenant.

The following information is needed for each unit:

- Tenant Head of Household Name (first and last)
- Tenant Head of Household email address
- Tenant Head of Household phone number
- Unit Address
- Rent Due Statement or Ledger

If initiating applications for multiple tenants on their behalf, Landlords and Property Owners can use the Multiple Properties Data Template, the second tab in the spreadsheet allows for tenant contact information and financial information about the months and amounts that need assistance from the program for payment.

This template is available for download at:

https://www.RentHelpMN.org

Important: The Multiple Tenants Data Template is only an organizer tool. When completed it may include private data. Do not send this workbook to RentHelpMN. It will not be uploaded.
3.1 Create a New Application

Landlords and Property Owners can access the application through their main dashboard. Make sure to register the property in account before initiating an application for the tenant.
Select ‘COVID-19 Emergency Rental Assistance’ as the program and fill in the Head of Household contact information for the tenant.

Next complete the address and building information.

At this point, all assistance that is being requested (back due rent, fees, future rent if it is known that the tenant will need continued assistance at the time of application) can be listed.

Importantly, if the tenant has already paid partially or an amount has been paid by other housing assistance programs to cover the same costs for the same period, indicate it here.
After listing the assistance requested, the Landlord or Property Owner must certify that they have read and agreed to the Terms of Agreement.

To agree, type the name of the Landlord or Property Owner in the box, the toggle above it will change from grey to green, indicating the statement above has been certified.
After completing the Terms of Agreement, the application can be submitted and the system will return to the main Dashboard, where the new application is visible under the ‘Applications’ tab.
3.2 Communication to Tenant

An automated email will be sent to the Head of Household identified in the application with a link for them to complete their portion of the application. Make sure the tenant is aware that the email will be coming through. It will be from RentHelpMN and may go to a spam or junk folder.

Landlords and Property Owners can reach out directly to tenants to ensure they received the email and have all the documentation they need for their section.

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following:

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (sales of securities or other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and health insurance transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of securities)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you may be subject to backup withholding. See What is backup withholding, later.
By signing the filled-out form, you:
1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners’ share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See What is FATCA reporting, later, for further information.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester’s form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:
- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners’ share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States:
- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a “savings clause.” Exceptions specified in the savings clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called “backup withholding.” Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:
1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the instructions for Part II for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See Exempt payee code, later, and the separate Instructions for the Requester of Form W-9 for more information.

Also see Special rules for partnerships, earlier.

What is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See Exemption from FATCA Reporting code, later, and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of $50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a $500 penalty.
Specific Instructions

Line 1
You must enter one of the following on this line: do not leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account (other than an account maintained by a foreign financial institution (FFI)), list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9. If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

a. Individual. Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note: ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. Sole proprietor or single-member LLC. Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or “doing business as” (DBA) name on line 2.

c. Partnership, LLC that is not a single-member LLC, C corporation, or S corporation. Enter the entity’s name as shown on the entity’s tax return on line 1 and any business, trade, or DBA name on line 2.

d. Other entities. Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on line 2.

e. Disregarded entity. For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a “disregarded entity.” See Regulations section 301.7701-2(c)(2)(iii). Enter the owner’s name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. Example: If a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner’s name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity’s name on line 2, “Business name/disregarded entity name.” If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2
If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

Line 3
Check the appropriate box on line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box on line 3.

1. See Form 1099-MISC, Miscellaneous income, and its instructions.

2. However, the following payments made to a corporation and reportable on Form 1099-MISC are not exempt from backup withholding: medical and health care payments, attorneys’ fees, gross proceeds paid to an attorney reportable under section 6045(f), and payments for services paid by a federal executive agency.

### Exemption from FATCA reporting code.

The following codes identify payees that are exempt from reporting under FATCA. These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with “Not Applicable” (or any similar indication) written or printed on the line for a FATCA exemption code.

A—An organization exempt from tax under section 501(a) or any individual retirement plan as defined in section 7701(a)(37)

E—A corporation that is a member of the same expanded affiliated group as a corporation described in Regulations section 1.1472-1(c)(1)(ii)

K—A broker

L—A trust exempt from tax under section 664 or described in section 4947(a)(1)

M—A tax exempt trust under a section 403(b) plan or section 457(g) plan

**Note:** You may wish to consult with the financial institution requesting this form to determine whether the FATCA code and/or exempt payee code should be completed.

### Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information return. If this address differs from the one the requester already has on file, write NEW at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

### Line 6

Enter your city, state, and ZIP code.

**Part I. Taxpayer Identification Number (TIN)**

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see How to get a TIN below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner’s SSN (or EIN, if the owner has one). Do not enter the disregarded entity’s EIN. If the LLC is classified as a corporation or partnership, enter the entity’s EIN.

**Note:** See What Name and Number To Give the Requester, later, for further clarification of name and TIN combinations.

**How to get a TIN.** If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.SSA.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/Businesses and clicking on Employer Identification Number (EIN) under Starting a Business. Go to www.irs.gov/Forms to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to www.irs.gov/OrderForms to place an order and have Form W-7 and/or SS-4 mailed to you within 10 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write “Applied For” in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

**Note:** Entering “Applied For” means that you have already applied for a TIN or that you intend to apply for one soon.

**Caution:** A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

**Part II. Certification**

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see Exempt payee code, earlier.

**Signature requirements.** Complete the certification as indicated in items 1 through 5 below.
1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. Other payments include payments made in the course of the requester’s trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition programs, and federal student loans (under section 529), ABLE accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

**Secure Your Tax Records From Identity Theft**

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:
- Protect your SSN.
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-909-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-629-4059.

Protect yourself from suspicious emails or phishing schemes. Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.
The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at spam@usao.gov or report them at www.ftc.gov/complaint. You can contact the FTC at www.ftc.gov/idtheft or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see www.IdentityTheft.gov and Pub. 8827. Visit www.irs.gov/identityTheft to learn more about identity theft and how to reduce your risk.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons (including federal agencies) who are required to file information returns with the IRS to report interest, dividends, or certain other income paid to you; mortgage interest you paid; the acquisition or abandonment of secured property; the cancellation of debt; or contributions you made to an IRA, Archer MSA, or HSA. The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and possessions for use in administering their laws. The information also may be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 6403, payers must generally withhold a percentage of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to the payer. Certain penalties may also apply for providing false or fraudulent information.
