

G2 Technologies Corp. Closes Shares for Debt Transaction

December 11, 2020 (Vancouver, BC): G2 Technologies Corp. (CSE:GTOO, OTCQB:GTGEF, FWB:1NZ.F) (the “Company” or “G2”) announces today it has settled outstanding accounts payable liabilities in the amount of CDN \$585,652.80 (the “Debt Settlement”). The Debt Settlement has been satisfied through the issuance of 29,282,626 common shares (the “Common Shares”) at a price of \$0.02 per Common Share.

A portion of the Debt Settlement constitutes a “related party transaction” within the meaning of Multilateral Instrument 61-101 - *Protection of Minority Security Holders in Special Transactions* (“MI 61-101”) as some of the Common Shares have been issued to a company whereby the director is also a director of the Company. The issuance of 4,715,000 Shares (representing \$94,300.00 of debt) is exempt from the formal valuation and minority shareholder approval requirements under MI 61-101 pursuant to subsections 5.5(b) and 5.7(1)(a) as the Company’s common shares are not listed on a specified market and the fair market value of these Common Shares do not exceed 25% of the Company’s market capitalization.

The Common Shares issued in connection with each of the Debt Settlements are subject to a voluntary hold period of six months plus one day from the date of issuance, in accordance with applicable securities legislation, expiring June 12, 2021.

On Behalf of the Board,

“Slawek Smulewicz”

Forward-Looking Statements Caution. This news release includes forward-looking statements that are subject to risks and uncertainties. All statements within, other than statements of historical fact, are to be considered forward-looking. The Company provides forward-looking statements for the purpose of conveying information about current expectations and plans relating to the future and readers are cautioned that such statements may not be appropriate for other purposes. By its nature, this information is subject to inherent risks and uncertainties that may be general or specific and which give rise to the possibility that expectations, forecasts, predictions, projections or conclusions will not prove to be accurate, that assumptions may not be correct and that objectives, strategic goals and priorities will not be achieved. These risks and uncertainties include but are not limited to those identified and reported in the Company’s public filings under the Company’s SEDAR profile at www.sedar.com. Although the Company has attempted to identify important factors that could cause actual actions, events or results to differ materially from those described in forward-looking information, there may be other factors that cause actions, events or results not to be as anticipated, estimated or intended. There can be no assurance that such information will prove to be accurate as actual results and future events could differ materially from those anticipated in such statements. The Company disclaims any intention or obligation to update or revise any forward-looking information, whether as a result of new information, future events or otherwise unless required by law.
