

STUDENT CLASS CHANGE REQUEST FORM

If you wish to change to a different class (eg, day of the week, time of class or location) you need to discuss this with your trainer or student administration. This must be done within the same intake without any “down period” of non-attendance. For example, if you enrolled in a February class at Blackburn and wish to transfer to the February class at Narre Warren and there is no non-attendance period, this constitutes a Transfer. If however, you are wishing to move from the February intake to an April intake, this is a withdrawal and re-enrolment with associated fees and documentation required.
