

Tap into the **Next Generation Workforce**

Get your jobs and internships in front of the next generation

The **SchoolLinks Industry Network** - a place for you to get connected with and shape early career talent in high school, and create brand awareness and loyalty. SchoolLinks offers a variety of engagement opportunities for companies to meet different strategic priorities.

Diversify Your Workforce

Having a diverse and dynamic workforce -- K12 is the perfect place to start drawing from a bigger pool of talent

Match Based on Candidate Interests

Identify and derisk hiring by ensuring match based on interests and academic longitudinal data

Influence Talent Early On

Ability to influence and upskill talent pipeline the way you want

Scale to Meet Your Companies Needs

A systematic and scalable way to engage early talent, no longer sporadic approach to work with individual k12 institution here and there
