BEER & WINE

LOCAL BEER

Marble Double White

A delicate, dry, pale & hazy Belgian-inspired wheat ale accented with traditional spices 7.0% ABV

Steel Bender Raspberry Dynamite

Our popular house kettle sour is brewed with a wheat heavy grain bill, which we run off and kettle sour before boiling with lactose, a milk sugar. We then add a ridiculous quantity of pure raspberry puree to the fermentation and let it all bubble until the flavors develop and the yeast is finished. The result is a fantastically fruit-forward brew with a raspberry aroma, striking appearance, and a refreshingly sweet/tart finish. We have fun with this one! 5.8% ABV

Santa Fe Squeezer

Squeezer is a refreshing, juicy slammer made with real tangerine and grapefruit juice, a little haze and a hint of hops. For those times when straight-up beer flavored beer is too beer-y, this citrusy radler is the beer for you. 4.2% ABV

Santa Fe Pepe Loco

A Traditional Mexican Style Lager. Imported from Across Town. 4.8% ABV

Santa Fe Santa Fhazy IPA

Santa Fhazy is an easy-drinking, refreshingly smooth hazy IPA with hints of tropical fruit, berry, citrus and a juicy finish. It's also got the most obvious name ever for a hazy IPA made in Santa Fe, NM. 6.2% ABV
