Dual Zone Bluetooth Source Unit
Owner's Manual

WETSOUNDS.COM

THANK YOU FOR CHOOSING WET SOUNDS FOR YOUR HIGH PERFORMANCE AUDIO SYSTEM!

The **WWX-DZ-BT** is an easy to operate Bluetooth Source Controller with two zones of output that can be linked or controlled independently.

Please take a moment to read the instruction manual & connection guide before starting the installation. If you have any questions or concerns, please contact your local Authorized Wet Sounds Dealer or Wet Sounds Tech Support at 877-938-7757.

FCC INFORMATION This device complies with part 15 of the **FCC** Rules. Operation is subject to the following two conditions:

1. This device may not cause harmful interference, and
2. This device must accept any interference received, including interference in a residential installation.

FEATURES

- Control Volume +/-, Track Fwd/Prev, Pause & Aux In
- Zones can be controlled independently or together
- 3.5mm Zone Output and Aux Input Connections
- Amplifier Remote Turn-on Output
- Sealed Construction designed for Marine Applications
- Mounting only requires a 1-1/8" hole

DIMENSIONS

MOUNTING INSTRUCTIONS

STEP 1: Locate desired location. Please refer to dimensions and check for clearance prior to cutting or drilling.

STEP 2: Drill or cut 1-1/8" hole.

STEP 3: Route wires through hole and then retaining nut.

STEP 4: Hand tighten retaining nut while holding the control panel in desired position.

BLUETOOTH PAIRING INSTRUCTIONS

STEP 1: Turn on WWX-DZ-BT

STEP 2: If not already paired with another learned device, the WWX-DZ-BT will automatically enter pairing mode, which is indicated by the backlight flashing BLUE.

STEP 3: From you phone's Bluetooth pairing menu, find the WWX-DZ-BT and connect to it.

You are now paired to the WWX-DZ-BT. If you would like to pair to a new device, press and hold the  button which will put unit in pairing mode.

OPERATING INSTRUCTIONS

POWER/PLAY/PAUSE

When unit is powered off, press and hold to power on. When unit is on and connected to Bluetooth audio source, short press will play and pause media. Press and hold will power the unit off.

BLUETOOTH

Selects Bluetooth as the source. Also press and hold to enter into pairing mode.

AUX AUX INPUT

Selects AUX Input as the source.

TRACK CONTROLS

Selects Tracks on Bluetooth Media Device.

VOL- / VOL+ VOLUME CONTROLS

Operates audio level of Zones. When zones are unlinked, the volume buttons on the left operate Zone 1 and buttons on the right operate Zone 2. When unlinked, the Zone 2 buttons will illuminate RED.

To Link, press and hold both **VOL+** at the same time. When linked, the buttons will flash and all four volume buttons will illuminate BLUE. In this state, the volume of both zones will increase and decrease in volume together when either of the volume controls are used. If the zones are at different levels when linked, the difference in levels will be maintained while linked.

To Unlink, press and hold both **VOL-** at the same time. When unlinked, the buttons will flash and the Zone 2 volume controls will illuminate RED.

LIMITED WARRANTY

What This Warranty Covers This is a “limited” warranty. This warranty covers any defect in materials and workmanship. This warranty only covers the original purchaser and is not transferable. This warranty is also only valid if the original purchase was made from an authorized Wet Sounds™ dealer.

How Long Coverage Lasts This warranty extends for 2 years from the date of purchase. It is recommended to REGISTER your warranty online within 45 days of purchase at www.wetsounds.com – click on “warranty registration”.

What Is Not Covered This warranty does not cover fading or discoloration caused by exposure to sunlight or chemicals such as ammonia, household bleach, or any cleaning material that contains abrasive substances. Wet Sounds, Inc. does not cover the expense for removal or re-installation. Additionally, shipping TO Wet Sounds, Inc. must be paid for by the purchaser. This warranty is void and inapplicable if Wet Sounds deems that the product was abused or misused; including but not limited to damage caused by accident, mishandling, improper installation, removing the inline fuse on the power connection, negligence, normal; wear and tear, excessive water or heat damage, freight/shipping damage, or products that have been disassembled by anyone other than Wet Sounds technical staff. Wet Sounds will not be responsible for any incidental or consequential damages, except to the extent provided (or prohibited) by applicable law. This warranty gives you specific rights, and you may also have other rights which vary from state to state.

What Wet Sounds, Inc. Will Do Wet Sounds, Inc. will repair any part of your product that proves to be defective in materials or workmanship. In the event repair is not possible, Wet Sounds will replace the product in question. If it is deemed necessary Wet Sounds, Inc. will either replace the entire product with a refurbished unit or it will be replaced with a model that is similar in price is that model is no longer available. Labor costs and materials needed to complete this service will be at No Charge to the purchaser. Additionally, return shipping FROM Wet Sounds, Inc. to the purchaser will be paid for by Wet Sounds.

How To Get Service Contact Wet Sounds, Inc. either by phone at 877-WET-SPKR or by email (warranty@wetsounds.com). A service representative will assist you in confirming that the problem you are experiencing is caused by a defective product and if that product is covered under warranty. The service representative will issue you a Return Manufacturer’s Authorization (RMA) and other details to obtain service for your product.

**DO NOT RETURN YOUR PRODUCT WITHOUT THE PROPER
RETURN AUTHORIZATION (RMA)!**

Internet Warning Wet Sounds, Inc. products sold on any non- authorized web site or internet auction site are void of any and all manufacturer's warranty.

Please Contact Wet Sounds (877-938-7757) or visit our web site (www.wetsounds.com) for a list of authorized online sellers or to find an authorized dealer near you.
