

How Much Time Do Entrepreneurs Spend on Accounting and Taxes?

40%

of Entrepreneurs Say Bookkeeping and Taxes are **the Worst Part** of Owning a Small Business

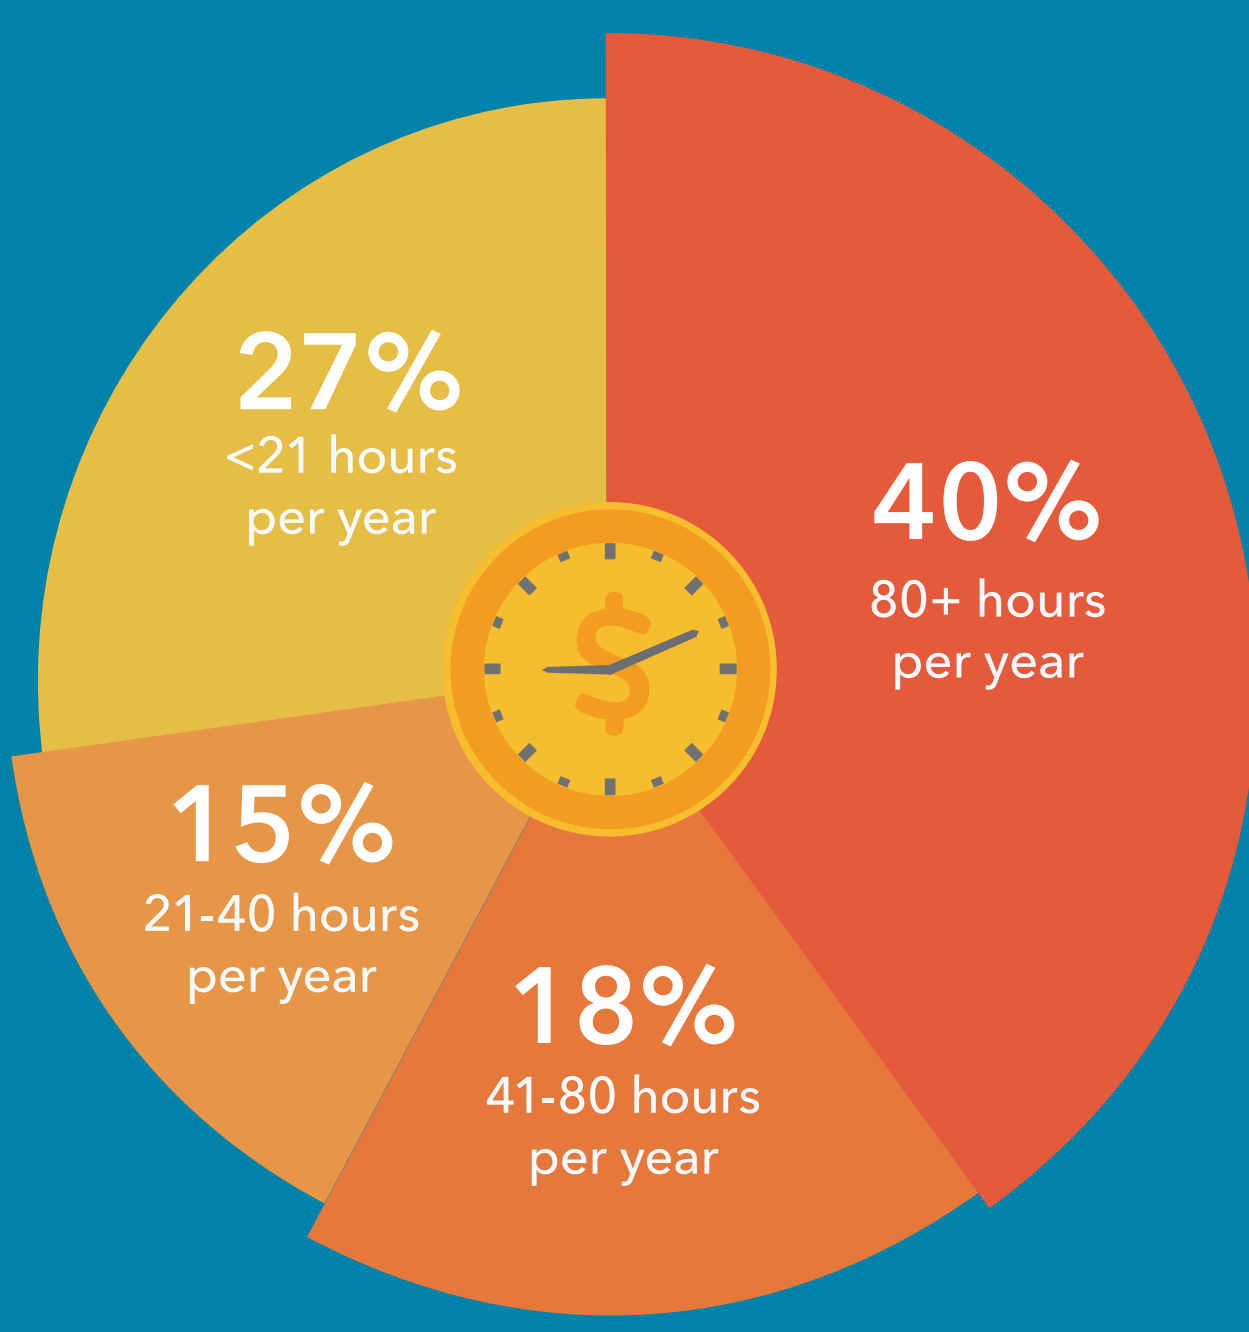

But What About These Responsibilities Do They Hate the Most?

1,100 small business owners were asked to choose the one thing they dislike the most about managing their finances. They said:

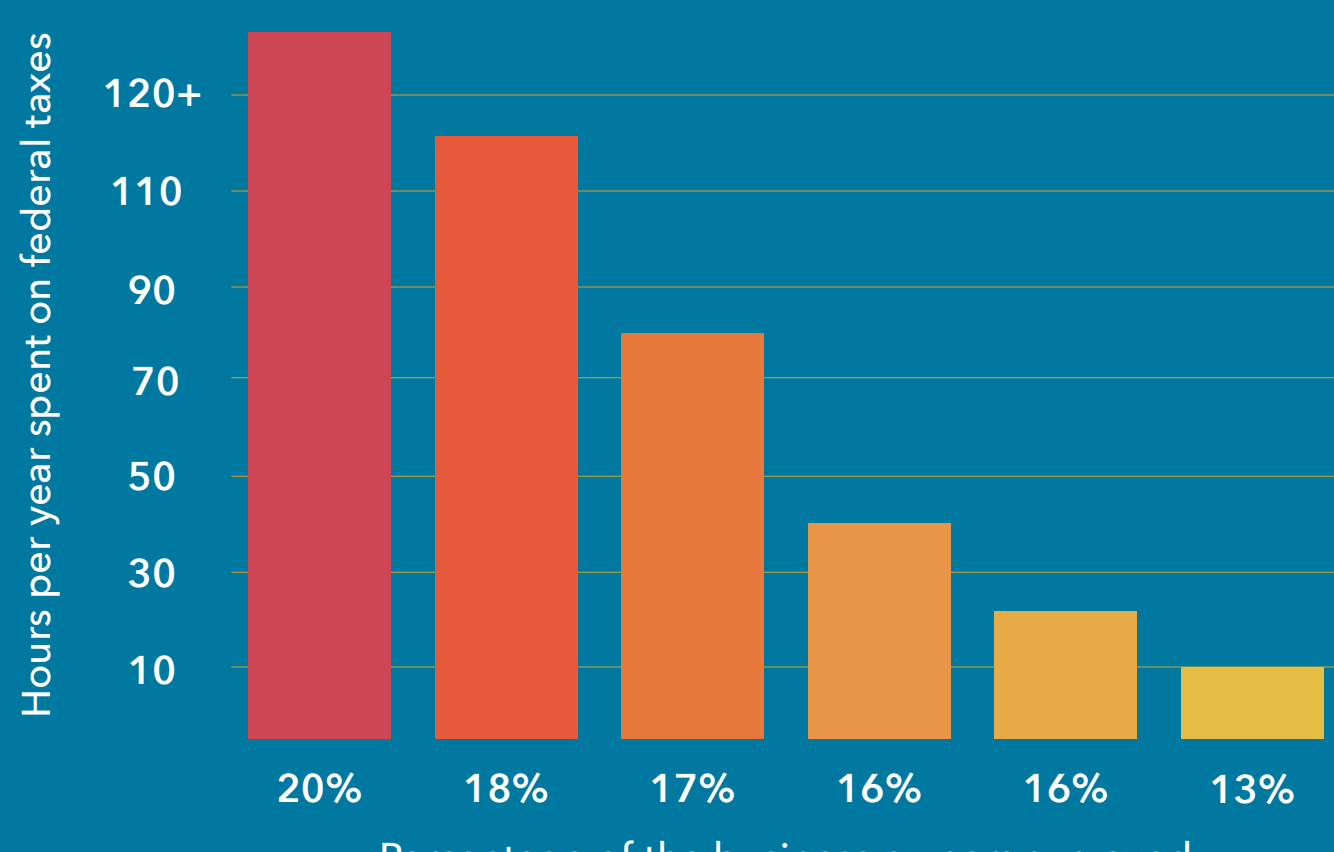

The Real Cost is **Your Time**

Time entrepreneurs spend on their accounting each year:

But if you think that's bad...

Each Year, Entrepreneurs Spend a Truly Depressing Amount of Time on **Federal Taxes**

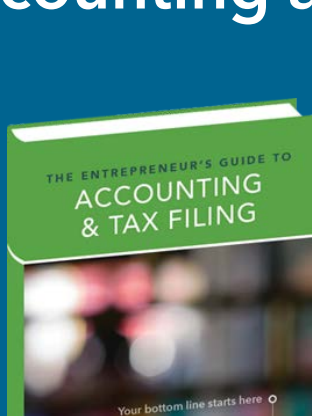

The more time you spend managing your back office, the less time you're spending making your business a thriving success.
