The Cashflows difference

Maximise revenue

Increase sales with fast, easy checkout, stored card details for returning customers and choice of all major payment types – Visa, Mastercard, American Express, Apple Pay, Google Pay and PayPal.

Free your funds

Your money is at your fingertips with our unique faster settlement features. Take control of your money with same day, next day and Anytime Settlement options¹.

Real-time performance

Our enhanced analytics portal lets you monitor sales and settlements in real-time, so you always know what's going on – giving you even more control and decision making insight.

Unbeatable service

We have a pragmatic approach to risk so we can welcome more customers. With easy onboarding and a dedicated account manager, you'll find our customer service second to none.

Powerful tech

We've built our own powerful omnichannel payments platform to solve every challenge and take every opportunity, with APIs that make integration quick and easy.

Outstanding security

The very best technology and authentication tools, including 3DS V2.2, keep your payments secure and your business safe, protecting your numbers and your reputation.
