Don't Take Our Word for It! Listen to What Our Clients Have to Say...

"We've saved nearly $35,000 a year with the Yooz paperless workflow, and our GMs can approve payments on-the-go."

Patsy Price
Director of Operations,
Peterson Auto Group

"Yooz was a game changer for our business. Our restaurants are located all over the U.S. and Yooz was instrumental in streamlining our approval process.

The invoice is easily tracked in the system from when it is uploaded, approved and processed in Microsoft Dynamics GP. The multiple level approval module is very flexible to customize by company, person specific approval level, vendor and dollar amount. The possibilities are endless.

Yooz has organized our AP process from beginning to end."

Jill Filipiak
VP of Finance
Falcon Holdings Management

"It was such a relief to find a complete solution that would accommodate the entire process, from purchase to payment, without any nickel-and-diming or added costs for bolted on software."

Jason Kleve
Controller,
Transwest

Why Automate Accounts Payable?

- It costs companies $9 to $20 per doc to manually process invoices and a $3.90 archiving cost.

- Out of the manual invoices processed, 3.5% are erroneous or double payments.

- 31% of manually processed invoices are paid late.

- It takes 22 to 35 business days to manually process an invoice from beginning to end.

- 7 out of 10 companies using manual AP processes have been victims of attempted fraud.

Don't Wait Another Fiscal Year, Automate with Yooz Today!

- 62% of CEOs have already started or are in the process of making their business more digital.

- 2/3 of business leaders say their company will no longer be competitive if it can't become significantly more digital.

- Over 56% of U.S. businesses fall victim to cyber security attacks or breaches.

- Processing time with Yooz AP automation reduced by 80% - 90% compared to manual AP.

- You're losing credibility by not keeping up with the technology!
