

# Why Yooz is the Best AP Automation Solution for Restaurant & Hospitality

## Yooz Workflow Integration Overview

### Smart Technology

Yooz is the only AP automation provider that offers a COMPLETE end-to-end solution. Integrates with more than 200 ERP and financial systems.

### Price

Our customized pricing structure beats them all. No hidden pricing. No nickel-and-diming. Flexible pricing to accommodate seasonality. No lock-in contracts.

### Same Day Invoice Approval

Yooz creates a fast invoice turnaround for your approval process with easy access that comes with the Cloud.

### Ease of Implementation

Our implementation team customizes the onboarding process to your company and its needs in a timely manner.

### Mobile App

Yooz allows users to capture documents, approve invoices, and search for documents. Clients love this tool because of the ease of use on the go.
