Our clients are the heroes of our story.

"Closing the month used to take five days, and in a business like ours that relies on immediate information, it was five days too long. Now our month-end takes a half day, we're meeting our targets, the information is correct, and we can move right into the accruals stage."

**Shelley Duggins**  
Accounts Payable Manager

"We've saved nearly \$35,000 a year with the Yooz paperless workflow, and our GMs can approve payments on-the-go."
