

First Tee - Sandhills is excited to present ASYMCA Summer Campers a Virtual Field Trip Experience where you will learn how to play two fun golf games whether on a black top, back yard or visiting a golf course - all while using things you find around your house!

## **Bocce Putting**

### Materials:

- One (1) pallino to use as a target - could be a different colored ball or stuffed animal
- At least 1 ball per player (\*hint\* - each player uses a different color to tell them apart!)
- Optional - bat, broom, hockey stick or golf club to strike the ball

### How to Play:

- One player will throw the pallino onto the court.
- Then each player will toss, putt or chip their ball at the pallino.
- The closest ball to the pallino scores one point.
- The player who had the closest ball gets to throw the pallino for the next round.
- Play as many rounds as time allows, the player with the most points wins! Or select a point total, such as 5, and the first player to 5 points is the winner.

## **Tic Tac Toe**

### Materials:

- Something to create or draw your tic tac toe board, such as tape, rope, sidewalk chalk.
- 3 - 4 balls per player or 1 ball and items to mark your squares.

### How to Play:

- Each player will take turns tossing, putting or chipping into the tic tac toe grid.
- If your object lands in a square already captured by the other player, try one more time!
- The first player to get three in a row wins.

THANK YOU to ASYMCA for inviting First Tee - Sandhills to participate in virtual summer camp! Be sure to check out our summer camps and fall programs at Stryker Golf Course! Call our office at 910-255-3035 or find out more at [firstteesandhills.org](http://firstteesandhills.org)

Have a great rest of your summer!
