# **Armed Services YMCA**

This handbook will help you to get to know your Armed Services YMCA and all it has to offer. This handbook outlines who we are, what our policies are and what your membership gives to you. The Armed Services YMCA is a military, youth, adult and family nonprofit, volunteer-driven organization offering a wide variety of programs and activities for Y members and the community. We hope that your relationship with us is as meaningful to you and your family as it is to us.

## **Armed Services YMCA Mission Statement: Strengthening Our Military Family**

# ANNUAL CAMPAIGN

The Armed Services YMCA is committed to making quality programs and facilities available to people from every social and cultural background. We work hard to make programs and membership fees reasonable by subsidizing some of the real costs. Even so, we know that during difficult times some families need financial assistance.

Through the Armed Service YMCA Annual Campaign, we cover a portion of program costs and provide financial assistance to keep ASYMCA programs available to everyone who needs them most.

By giving to our Annual Campaign, you can help make sure that everyone can participate in our life-enriching programs regardless of their ability to pay. With your financial support, you allow the Armed Services YMCA achieve its mission.

## **Scholarships**

No one is turned away from the Armed Services YMCA due to their inability to pay fees. An application process helps determine the level of financial assistance. Campaign funds make participation for Armed Services YMCA Childcare Programs and membership a reality for everyone.

## **Affordable Rates**

Qualified youth, teens, individuals and family memberships are subsidized in order to reduce the cost to our military and community families. Campaign dollars and grant funding are targeted for this cause.

## **How to Donate**

Donations can be made as a single offering or on a monthly basis. See the Member Services Desk or our website ([www.asymca.org](http://www.asymca.org)) or more information.

The Armed Services YMCA strengthens the lives of military members and their families in spirit, mind and body through programs relevant to the unique challenges of military life.
