# YOUR GUIDE TO THE WHY AND HOW OF ONLINE ASSESSMENT

By combining cutting edge technology with first class service and support, our goal is to help people in training use technology to enhance the student experience. We strive to make your job easier and more efficient.

ABOUT US

Flexible and reliable, Cloud Assess is a powerful Online Training and Assessment Platform. A truly paperless solution giving you compliance peace of mind and increased productivity across your business. Unlike an LMS that focuses on the transfer of knowledge, Cloud Assess is a VET aligned, fit-for-purpose digital solution for managing vocational assessment whether you favour an online, face-to-face or blended delivery model.

SAY HELLO TO THE FUTURE

Have Compliance Peace of Mind

A minefield of obligations and requirements is easier to navigate than ever before. Access a range of features designed to manage your stress and help you control processes. Features include: Quality Checks, Mapping, Stats and Revision Control.

Drive Efficiencies & Create Room to Grow

Running an RTO is complex. Cloud Assess simplifies this allowing you to spend more time doing what you love, think clear Dashboards, Auto-Marking, Workflows, Online Enrolment, Integration and more.

Enhance Your Brand & Student Experience

Streamline your Learner Journey from Enrolment to Completion. Wow your learners with the progressive Learner App, host a range of multimedia content and keep them engaged with integrated Messaging, Notifications and more.

Top Tips For Taking Assessment Online

Online Assessment in VET is so much more than a digital assessment record and a fast and efficient submission workflow.

Before you take your assessment online, consider these top tips we've learnt from people in the vocational education and training industry:

KNOW WHAT YOU NEED

Answering the following questions shape the solution you need and must be thoroughly understood:

- WHAT ASSESSMENT METHODS DO I NEED TO APPLY?
- WHAT CLIENTS WILL I BE WORKING WITH?
- WHAT ENVIRONMENTS WILL I BE SUPPORTING LEARNERS IN?

Your **Training and Assessment Strategies** are a good starting point if you're not sure.

TRY BEFORE YOU BUY

Choosing a solution is a long term decision that can prove expensive if you get it wrong. Follow these steps.

- GET A TRIAL.
- CHECK EVERY PROCESS.
- TEST INTEGRATIONS, WORKFLOWS AND CUSTOMER SUPPORT.
- TRY THE SOLUTION AS A STUDENT, ASSESSOR AND ADMINISTRATOR.

SEARCH CAREFULLY

This will be a long term decision so check the small print, look out for lock in contracts and how you export records. When thinking assessment, ask yourself these questions:

- WHAT ARE THE PROCESSES?
- HOW WILL I CONTROL REVISIONS?
- HOW WILL I DEPLOY REVISIONS?
- HOW WILL I CONTROL ADDITIONAL ATTEMPTS?

Top 10 questions to ask when searching for RTO software

START WITH A STEP

Adopting any new system is a transition that needs to be resourced and managed. Remember the following:

- CHANGE CAN BE DIFFICULT FOR SOME AND EASY FOR OTHERS.
- PROVIDE YOUR TEAM WITH TRAINING AND SUPPORT.
- PLAN CAREFULLY.

Careful consideration to change management makes the difference between success and failure.
