

Once the Vital Need is identified, use the OMEN process to drive results.

**OBJECTIVE**

What is the result you want to achieve?

---

---

---

**MEASUREMENT**

What is the timeframe to put the resolution into place?

---

---

---

**EVALUATION FREQUENCY**

How often do you review measurements to gauge progress?

---

---

---

**NURTURE**

When are we going to make tweaks? Who are you getting insights from?

---

---

---
