**Whether you have one facility or multiple facilities,** our Asset Recovery program is an exceptional resource for your company. We offer cash for parts and products you don't need. In many cases, selling your excess inventory to Radwell gives you the opportunity of adding dollars to your bottom line.

## BENEFITS

- Lower warehousing costs
- Increases cash flow
- Liquidate aging inventory
- Liquidate slow-moving inventory
- Eliminate used or overstock inventory
- Increases warehouse space
- A better option than placing it in a dumpster
- Go Green

Selling your surplus inventory to us gives you a financial return on products you'd normally pay to have it disposed of. Radwell's Asset Recovery Service always provides **FREE** freight service for your surplus stock.
