

## Chatham Bars Inn: Grapefruit Martini

---

The Chatham Bars Inn dates back over 100 years, when it was a hunting lodge for wealthy Bostonians. Now, with shingled beachfront buildings and rows of Adirondack chairs on its lawn, the Chatham Bars Inn embodies the dreamy, seaside charm of Cape Cod. Just a short drive from the town of Chatham, this hotel is a classic New England–style retreat and perfect beach destination for families, with stunning views and a relaxation-focused atmosphere.
