

Indagare ✦ Clubs

FREQUENTLY ASKED QUESTIONS

How does an Indagare Club differ from an Indagare Global Classroom?

Indagare Clubs allow smaller, more private groups of like-minded members from the Indagare community to virtually pursue passions such as art, history, cooking, culture, design, cocktails and fashion together. **Indagare Global Classroom** typically offers single sessions, open to members and subscribers of the Indagare community, as well as non-members.

As a group, each Indagare Club will meet regularly—typically once per month—via Zoom, moving through an exclusive, unique virtual itinerary of programming that builds upon itself and encourages learning and exploration. Each series will include signature curated lectures, dynamic discussions and participatory and interactive lessons. Club members may also receive bonus conversations and/or experiences, along with additional materials that complement each Club, including recommended reading and film lists, recipe books, as well as destination inspiration, insider tips and more.

How many clubs are there?

Indagare releases new Clubs on a semester schedule. Thus far, we have run 11 Clubs. We have listed our past clubs below. Should you be interested in one of our past programs, we would love it if you would share your thoughts with us, [here](#), as this will help us shape our future programming. If you have any questions about previous Club curriculums, please email global.classroom@indagare.com to learn more.

Can I join multiple clubs?

Yes! There are some Clubs, however, that do overlap, so be sure to check Club schedules before confirming. If Club sessions overlap, you may opt to watch a recording of the session you miss. *Please see important information on recordings below .*

How many sessions are in each Indagare Club?

Our past Clubs range from 4 to 27 sessions, but most of our former Clubs met 10 times during the year. Our previous Clubs ran primarily on a year long schedule, and going forward we will be turning to a semester schedule and Clubs will meet from 4 to 11 times during a semester on a monthly, bi-monthly or weekly cadence pending the Club.

How many people will be in each Indagare Club?

Clubs will be limited to a maximum of 30 participants, allowing for a more intimate experience and easier conversation flow.

When do the Indagare Clubs meet?

Clubs meet either on a monthly (or sometimes weekly) basis. Each Club has its own set schedule. We try to keep the time and day of the week consistent, but due to host time zones, there may be some classes that meet at a different time or on a different day of the week.

What if I am only able to attend certain sessions, do I still need to pay for the full series?

Yes. All Indagare Club members must pay the full Club Fee. And should you miss a session, in most Clubs, we are able to make the recordings available. *Please see more on recordings below.*

Will sessions be recorded if I am unable to attend a session?

Yes. The majority of the sessions will be recorded. We will do our best to let you know ahead of time if a recording of an upcoming session will not be available for viewing, due to rebroadcasting permissions with a specific host. *This occurs rarely.* Upon joining the Club, you will receive access to a google drive, where all recordings and course materials will be stored for the Club. Attendance is recommended to maximize the Club experience for all members, as there will be discussion, Q&A and interactivity among the group during classes.

How do I access a Club Google Drive?

Upon sign up, you will receive a welcome letter to the club, which includes a link to the Google Drive for the Club that you have signed up for. **You will need to click and request access** to that shared folder, which will be quickly granted. Should you have any issues requesting, accessing or viewing the folder once you are given access, please email global.classroom@indagare.com for assistance.
