

Indagare

Virtual Souk

Anna Trzebinski's Kenya Edit
with Indagare Founder Melissa Biggs Bradley

An Indagare-exclusive trunk show, live from Anna's Nairobi studio: peruse and shop one-of-a-kind pieces crafted by extraordinary local designers and artisans— and support African small businesses from home.

JANUARY 27, 2021

Indagare Virtual Souk: Anna Trzebinski's Kenya Edit

During the live trunk show, consult this catalogue to review the details and pricing of the pieces on display.

Please note that most of the pieces being shown are one-of-a-kind (and some are made-to-order), and inventory is limited. Purchases are first-come, first-served.

To purchase any of the pieces from the show and to make custom inquiries, visit <https://travel.indagare.com/virtual-souk-kenya-order> and submit your order using the item codes listed in this catalogue.

When you submit the online form, our Insider Journeys team will receive your order request. Anna Trzebinski's team will then contact you regarding inventory and to handle all payment processing and shipping. Indagare does not assume any liability for the processing, fulfillment or delivery of orders.

Shipping time will vary by item, and the majority of items will be shipped directly from Anna's studio in Nairobi, Kenya—so please allow for a flexible delivery timeline. If the item is immediately available, shipping should take approximately 14 days via Fedex. Custom orders may take up to four-to-six weeks.

After the live event, we will provide a recording of the trunk show, along with this catalogue, for those who wish to continue shopping, as well as those who were not able to attend.

Should you require additional photos, our team may be able to provide them. You may contact us for assistance at insiderjourneys@indagare.com.

Thank you for joining us for this inspiring experience—and happy hunting!

Anna Trzebinski

Established in 2007, Anna Trzebinski is a luxury fashion brand designed by Anna Trzebinski. Created in Kenya, all products are made by hand by local artisans from around the world using the finest raw materials.

Lana Trzebinski

Lana has experimented with clay since the age of 17. Her line is influenced by patterns, colors and forms found in nature. These pieces are made from earthenware, a clay harvested from African soil that becomes a beautiful terracotta when fired.
