

## Circle Media Integration

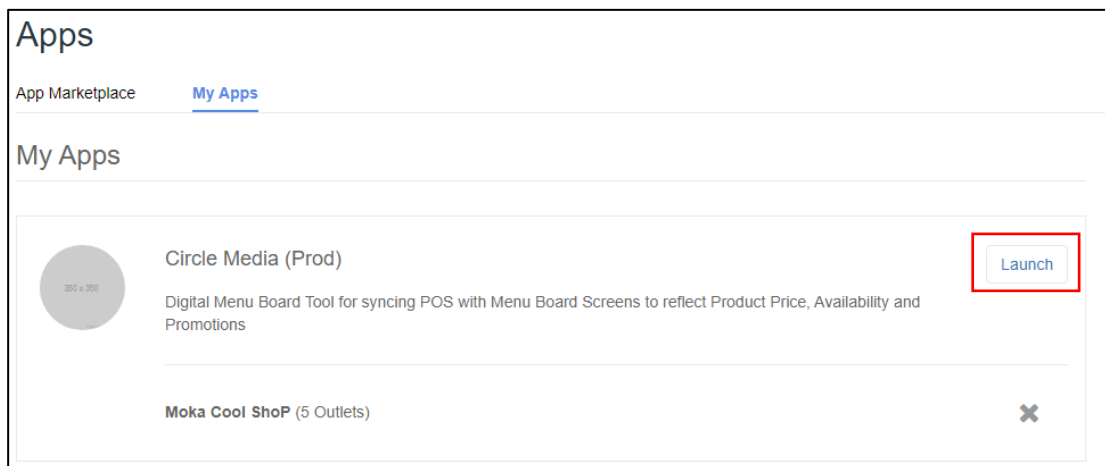

Circle Media is digital menu board platform that is integrated with Moka and can be accessed through APPS menu of the Moka backoffice.

**Notes:** [Click here to learn more about Circle Media.](#)

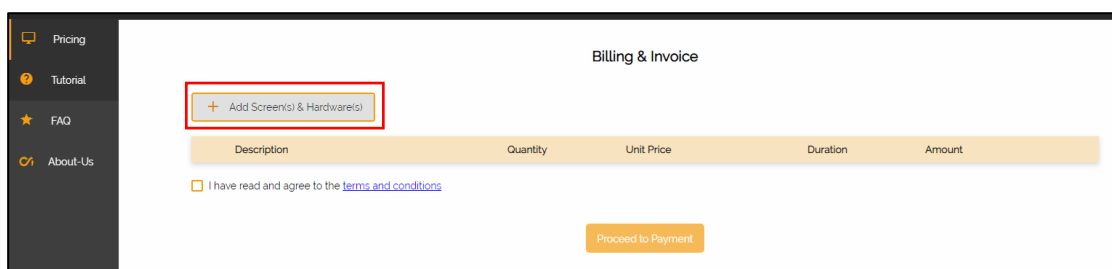

To execute the integration, please follow the instructions below:

1. Login to [Moka Backoffice](#).
2. Once you are logged in, go to the **APPS** menu.
3. Select **Circle Media**.
4. Click **Launch**.

5. User will be directed to Circle Media website.
6. Click on the **Pricing** to purchase license and hardware.

**Step 1:** Click on **Add Screen(s) & Hardware** to purchase.

**Step 2:** Select the outlets and number of screens for each outlet.

### Select Outlets & Screens

Outlets	Screens
<input checked="" type="checkbox"/> I-LOVE-COFFEE 10	<input type="button" value="◀"/> 1 <input type="button" value="▶"/>
<input checked="" type="checkbox"/> Condet Food Corp	<input type="button" value="◀"/> 3 <input type="button" value="▶"/>
<input checked="" type="checkbox"/> Dev Outlet Integration	<input type="button" value="◀"/> 1 <input type="button" value="▶"/>
<input checked="" type="checkbox"/> Outlet Jilid 5	<input type="button" value="◀"/> 1 <input type="button" value="▶"/>
<input checked="" type="checkbox"/> Outlet 1 @ Food & Beverages	<input type="button" value="◀"/> 1 <input type="button" value="▶"/>

\*Software price of **Rp 1,050,000** per screen will be billed monthly

**Step 3:** Add quantity of required hardware.

Billing & Invoice

+ Add Screen(s) & Hardware(s)

Description	Quantity	Unit Price	Duration	Amount
Software Price				1 Month
I-LOVE-COFFEE 10	1	Rp 150.000	1 Months	Rp 150.000
Condet Food Corp	3	Rp 150.000	1 Months	Rp 450.000
Dev Outlet Integration	1	Rp 150.000	1 Months	Rp 150.000
Outlet Jilid 5	1	Rp 150.000	1 Months	Rp 150.000
Outlet 1 @ Food & Beverages	1	Rp 150.000	1 Months	Rp 150.000
Total				Rp 1.050.000

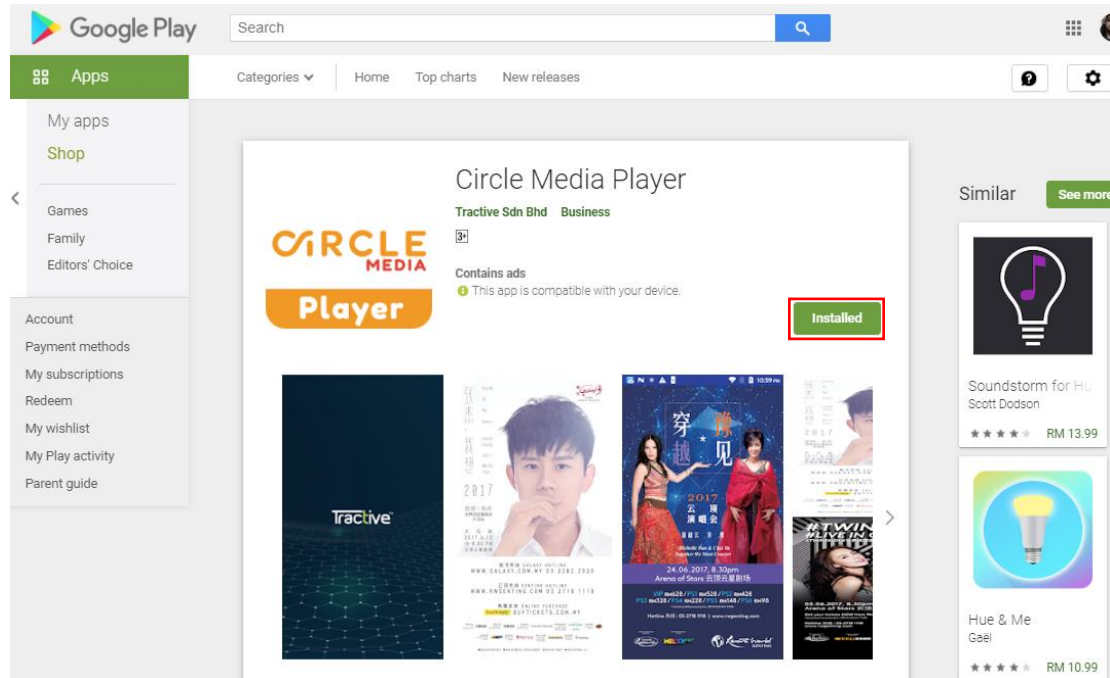

\*Software will expire on 6 May, 2020. Payment of Rp 1.050.000 has to be paid every month to keep the software active

☐ I have read and agree to the [terms and conditions](#)

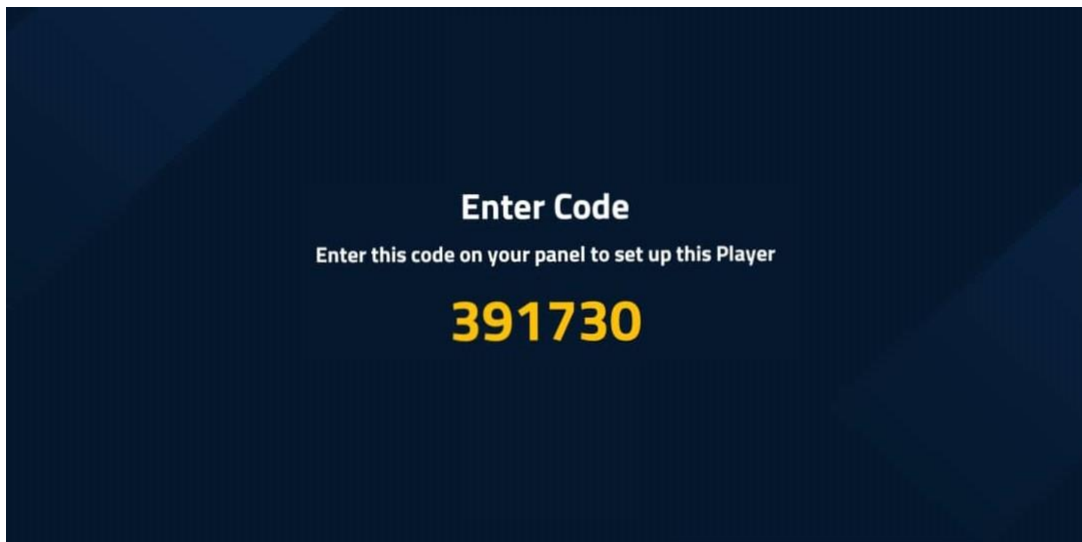

Proceed to Payment

- Once the payment is completed, user is able to use all features of the dashboard.
- The next step is for user to register screens on each outlet to his account.  
If the user orders the TV and Android player from us, all the software will come preinstalled, but if the user has his own Smart TV with Android OS version 6 or higher he can follow following steps to connect to Circle Media app:

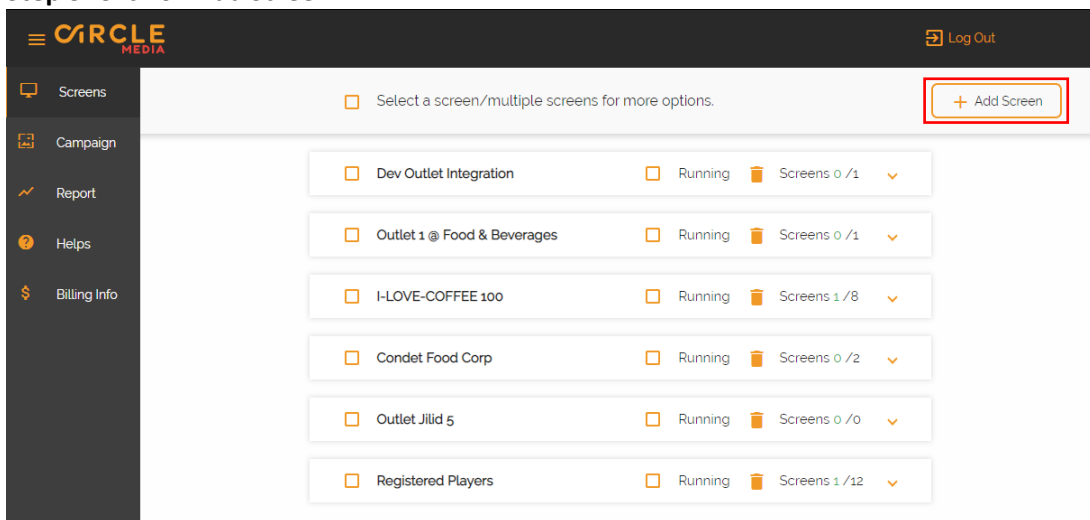

#### Step 1: Download Circle Media Player from Google Play

#### Step 2: Once the player is installed it will show 6 digit code, enter this code in step 4.

**Step 3:** Click on Add Screen

**Step 4:** Add screen for the outlet inserting the 6 digit code from step 2, give the screen appropriate name and assign it to right outlet.
