

A photograph of a modern event space with a light-colored wooden floor. Several black chairs with light-colored seats are arranged in rows. On the floor, there are large, light-colored circular markers that define individual seating areas, illustrating a design for physical distancing. In the foreground, a chair has a white rectangular tag attached to its backrest, featuring a red square with a white 'X' inside. Another similar tag is visible on a chair in the background.

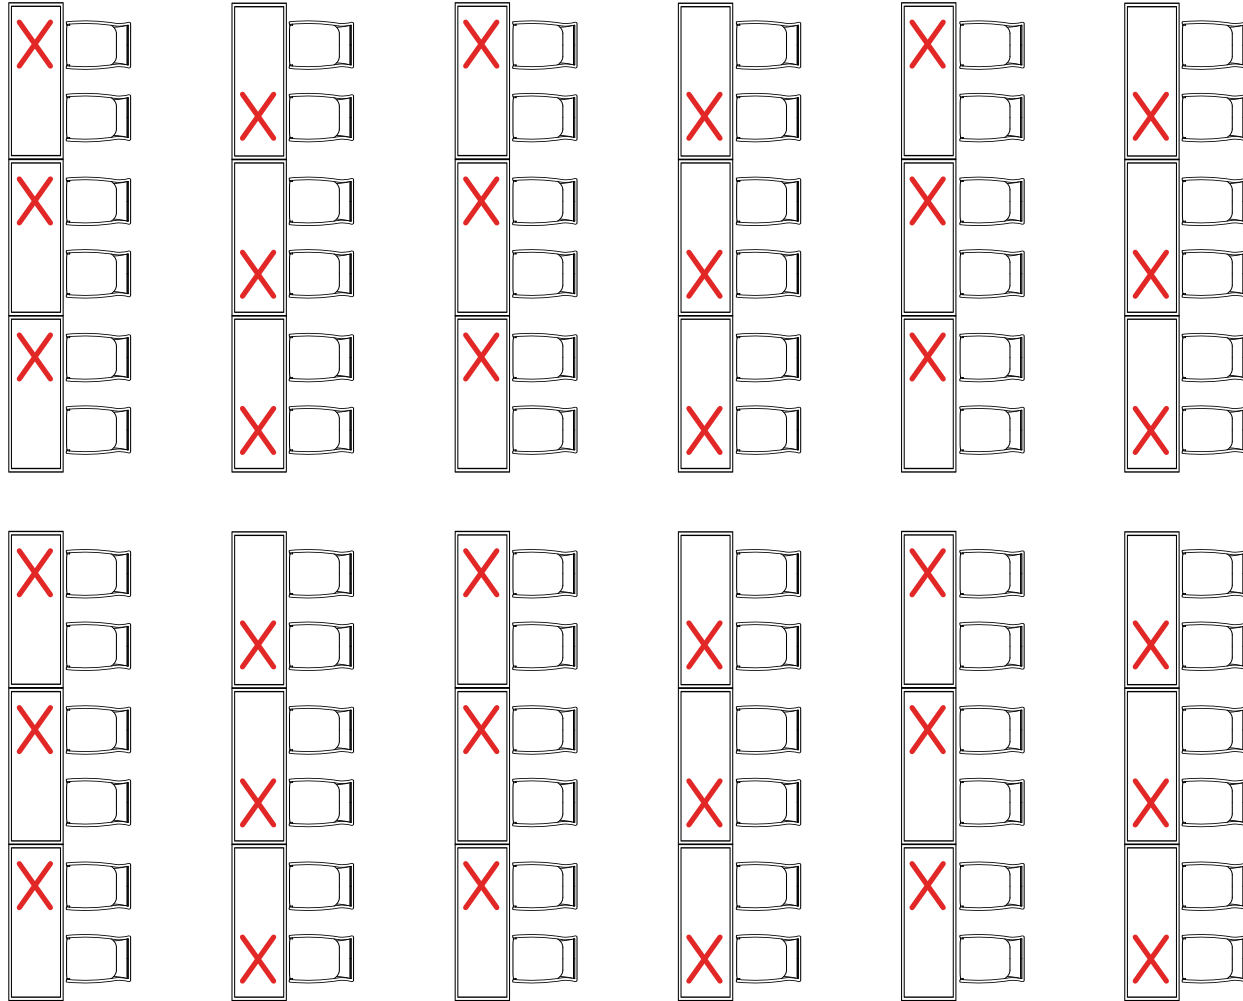

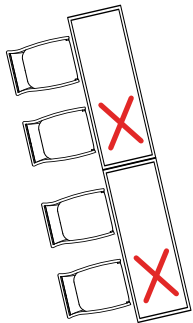

## 5 Event Space Planning Designs for Physical Distancing
