# CUSTOMIZE YOUR EVENT BADGE

1

## Choose your badge

We have badges and passes to meet all your needs, from our distinctive Premier Event Badge to our Eco Event Paper Pass.

 Look for this symbol for eco-friendly badge options.

2

## Choose your size

All of our badges come in different sizes – simply refer to the chart on the right.

3

## Choose your finish

Once you have your artwork determined, turn up the wow factor with a complementing finish. Whether it's the ever-popular gloss or the rainbow-effect prismatic, you have several options to choose from.

4

## Choose your slots or attachment

Request a center slot or double slots for bulldog clip lanyards; choose a center hole for j-hook or lobster claw lanyards. Or choose from a magnet, pin or clip.

### Choose your badge

#### ECO EVENT BADGE

This biodegradable, 20-mil event badge is the perfect way to lighten your event's environmental footprint without sacrificing looks or quality.

#### PREMIER EVENT BADGE

Ideal for multi-day events, this eye-catching option features material that resembles the thickness and durability of a credit card.

**AVAILABLE WITH OR WITHOUT POCKETS**

#### STANDARD EVENT BADGE

This classic 20-mil badge is a lightweight alternative with added flexibility when compared to the Premier.

#### ECO PASS

Choose between a 14-mil paper option or 14-mil plastic option, both of which are fully recyclable.

**PLASTIC PASS AVAILABLE WITH OR WITHOUT POCKETS**

#### SATIN STICKY PASS

Peel-off release liner and self-adhesive sticky cloth sticks to all kinds of fabrics and won't curl when exposed to moisture.

it works!

HOW NAME BADGES TO GO® WORKS

Select the size and type of your name badge.

After you have your final headcount, it is time to choose your name badge. Choose from vinyl holders with custom designed inserts to full-color event badges.

Select your lanyard, attachments and add-ons.

Consider adding a magnet, pin, or lanyard to your name badges. Need help attaching badge ribbons in advance? Let us know if you would like ribbons pre-added to badges or slid into the back of vinyl holders.

Nail your badge's design.

Your badge should be as unique and memorable as your event. Whether you have a full badge design ready, or a logo and layout in mind, we work with you to bring your vision to life.

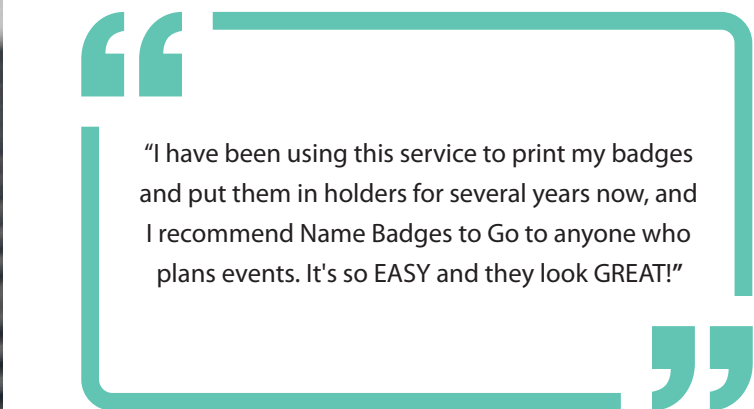

Send your attendee list and choose how we organize your badges.

Once your design is approved, we will start the printing, stuffing and sorting of your badges. Our team can arrange badges in virtually any way imaginable, whether by first name, last name, company, group or other category.

Have your badges shipped anywhere.

Using eco-friendly packing materials, we'll send your order to your office, venue, host hotel or location of your choosing. Every order comes directly from our production facility.

# CHOOSE YOUR NAME TAG HOLDER

1

## Choose your holder type

From budget-friendly options to eco-friendly alternatives, you're sure to find a name tag holder that helps you achieve your meeting goals.

2

## Choose your size

Select a size that accommodates the information you'd like to display, including names, titles, logos, variable data and more.

3

## Choose your attachment

Consider the nature and duration of your event when choosing an attachment. A magnet is great for more formal events while a lanyard is perfect for multi-day events.

4

## Don't forget your inserts!

Finish off the look of your name tag with a perfect blank or pre-printed insert. Let us take care of the printing and name tag assembly, we're here to help!

### Choose your holder type

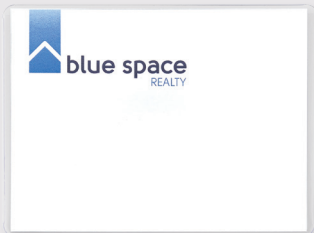

#### EZ STUFF

Gain valuable time back into your day with this versatile holder that allows you to stuff inserts up to 20% faster than regular holders.

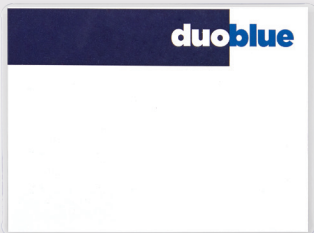

#### PREFERRED

This premium quality name tag holder is 30% thicker than industry standard holders, making it sturdy enough to withstand use during multi-day events.

#### STANDARD

An economical option, this holder is ideal for planners seeking a cost-conscious option that will hold up to light wear and tear.

#### NON-GLARE

A matte finish reduces glare to make images and text easier to read. This is a great option for presenters or emcees that are constantly in the spotlight or being filmed.

#### BIO PVC

Perfect for the eco-conscious planner, this biodegradable holder will help you go green without putting your budget in the red.

### Choose your size

Choose the size of your name tag holder based on how much information needs to be printed on the insert. If the design looks crowded, consider moving up to a larger size. If the design has too much white space, consider moving down to a slightly smaller size.

3 1/2" x 2 1/4"

Available in EZ Stuff, Preferred, Standard and Non-Glare.

4" x 2 1/2"

Available in Preferred, and Standard.

4" x 3"

Available in EZ Stuff, Preferred, Standard, Non-Glare and Bio PVC.

4 1/4" x 3 2/3"

3 5/8" x 5 1/2"

Available in EZ Stuff and Preferred.

4 1/4" x 6"

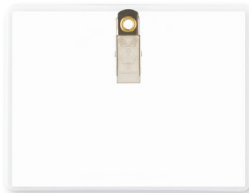

Available in EZ Stuff, Preferred, Non-Glare and Bio PVC.

#### AND MORE!

Every meeting is different. That's why we offer a wide variety of holder sizes for you to choose from, no matter the occasion.

### Choose your attachment

#### CLIP

Choose this for a secure attachment that can be used on a wide range of name tags. Attach it directly to clothing or pair it with a key ring or O-Ring lanyard attachment.

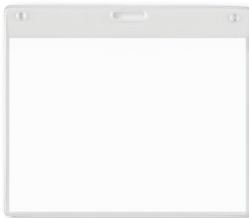

#### PIN/CLIP

Add versatility by giving them the option to wear their name tag several ways. Choose a key ring or O-Ring attachment if pairing this attachment with a lanyard.

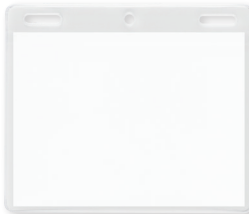

#### MAGNET

This customer favorite uses strong magnets to hold name tags firmly in place without causing damage to clothing. No lanyard needed with this attachment.

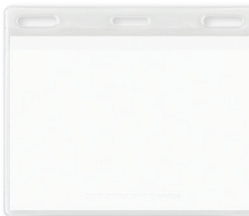

#### SINGLE SLOTTED

Keep name tags facing forward with a single attachment point. Pair this with a Bevl™, Pillar™, No-Twist Clip™, Bulldog Clip, J-Hook or Lobster Claw lanyard attachment.

#### DOUBLE SLOTTED

Slots at the top corners of this holder keep name tags from spinning and ensure that names stay visible. Use with Double Bulldog, Double J-Hook, or a Slim J-Hook lanyard.

#### TRIPLE SLOTTED

Corner slots keep tags from flipping while a center slot gives freedom to use a single attachment. Use with most double or single ended lanyards.

#### AND MORE!

Customization is our specialty. We'll help you get holders imprinted or select an attachment option that works best with your budget and meeting needs.
