

SAFETY MATTERS

HAPPY NEW YEAR FROM SWANA!

Commit to make 2022 the safest year ever for you and your co-workers. You can start by taking the SWANA Safety Pledge to show your commitment to protecting yourself and others from harm every day. Hang it up in a prominent location and let others know that you take everyone's safety personally.

David Biderman in Fairfax County, VA for Safety Meeting

SWANA Safety Pledge

I pledge to help everyone get home safe every single day. I will consider worker, customer, and public safety in every decision that I make.

My ultimate mission is to serve the community safely for myself, my co-workers, and those who depend on me. If I cannot do it safely, then I will not do it at all.
