Summer Listening 2020

Dear Parents and Guardians,

Our school has Tales2go, an award-winning kids' mobile audio book service. There are more than 10,000 titles in the Tales2go library and your student has free access to all of them, all summer long!

Listening to audio books is fun, easy, and helps to enhance vocabulary, fluency and listening skills. Studies show that listening as part of reading instruction, increases student achievement measurably. Students can listen to stories at a higher level than they can read on their own because they don't have to decode each printed word. Plus, they're learning valuable information about fluent, expressive reading performed by professional narrators and storytellers.

Tales2go can be used on desktops, laptops, iPads, iPhones, iPod Touches, and most Android phones and tablets. From any internet browser on a desktop or laptop, go to www.tales2go.com to login. On mobile devices, go to the app store and search for "Tales2go" (on iPads look for Tales2go under "iPhone only apps").

There are lots of ways you can incorporate listening to stories in your daily summer routine. Put on a story to entertain children while you help apply sunscreen, listen during break time at the pool, and listen as a family during car rides! For lots more ideas on how to help your student(s) get a jump start on school next year, check out the Tales2go blog at blog.Tales2go.com/blog.

The next page has your student's login information and a login guide to help you get started. There's also a list of recommended listening. Check off each title as you finish listening! Remember this is just a tiny selection of titles you can listen to, so be sure to check out the whole digital library!

If you have any questions or need help with your account, e-mail support@tales2go.com if you have any questions. They'll be available to help throughout the summer.
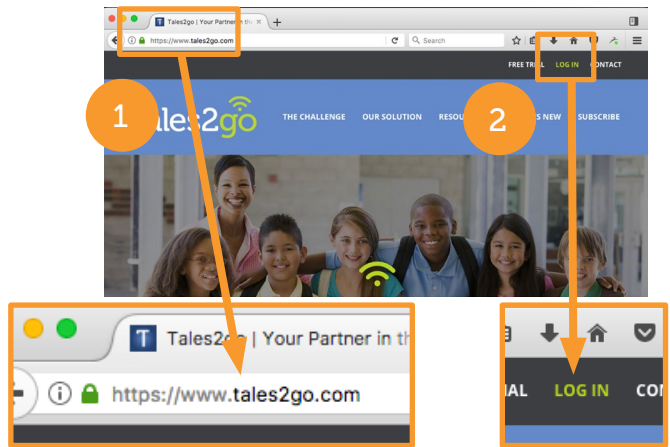

Happy listening!
