# The LILI Curriculum

The Leadership in Life Institute's curriculum is based on the leadership writings of Stephen Covey, John Maxwell, Jim Collins and Kouzes & Posner. Each of the six sessions involves interactive learning in a small group setting.

## **Session 1** *Identifying One's Self*

Participants get to know one another, assess their own strengths and identify their personal learning style. Topics include the Kolb Learning Style Inventory – understanding yourself and others; what makes a leader that constituents want to follow and self-talk and rational thinking.

## **Session 4** *Developing the Leaders Around You*

The class explores team-building and learns to work with others effectively to achieve unique goals. Session four topics include team-building skills and Covey's Habit #3 and #4 – Put Things First and Think Win-Win.

## **Session 2** *Mastering One's Self*

The class explores leadership fundamentals as participants analyze their own vision and mission. This session focuses on the six disciplines of credibility, Maxwell's laws of leadership and creating a vision to define your direction for the future.

## **Session 5** *Someday All This Will Be... Whose?*

Participants move from independence to interdependence. This session's topics cover how to empower others through mentoring and collaboration and Covey's Habit #5 and #6 – Seek First to Understand and Synergy.

## **Session 3** *Developing One's Self*

Participants are encouraged as they develop a business plan and apply the self-mastery skills learned in Session Two. Topics for session three include Steven Covey's Habit #1 (Be Proactive) and Steven Covey's Habit #2 (Begin with the End in Mind).

## **Session 6** *The Journey Begins*

The final session serves as commencement and transition. Responsibility and renewal are discussed along with the hallmarks of leadership. This last session focuses on reflection of personal strengths/weaknesses, conflict resolution, and pursuing excellence in all aspects of your life.
