HUD Posts New Webinar Materials to the HCV Landlord Resources Webpage

This week on the [HCV Landlord Resources](#) webpage, HUD added the [recording](#) and [presentation materials](#) for the "Technology" webinar that was held on October 19, 2020. The seminar walked through the second published chapter of the HCV [Landlord Strategy Guidebook](#). This chapter focuses on strategies that PHAs can implement to improve their relationships with landlords, provide them with access to information previously only available by request or mail, and reduce the concerns and frustrations about the inspections process. The webinar also featured PHAs that are currently implementing variations of these strategies in their communities.

GENERAL NEWS

HUD Launches Lead-Based Paint Landing Page

In an email Wednesday to the [HUD Exchange mailing list](#), HUD's Office of Lead Hazard Control and Healthy Homes ([OLHCHH](#)) announced the launch of the new [Lead-Based Paint landing page](#). According to the announcement, lead-based paint regulations apply to many activities that receive HUD or other federal assistance. As such, the new page features resources, training, and news on federal lead-based paint rules including:

- [Lead Disclosure Rule](#)
- [Lead Safe Housing Rule](#)
- [EPA's Renovation, Repair, and Painting Rule](#)

The announcement states that new resources will be added to the page.
