PIH Schedules Trainings on OpFund Web Portal User Role Assignments

Yesterday on the Financial Management Division (FMD) email list, HUD’s Office of Public and Indian Housing (PIH) announced that it has scheduled two training sessions to assist public housing authorities’ Web Access Security System (WASS) security coordinators with user role assignments for the [operating fund web portal](#).

The training sessions are intended to guide WASS security coordinators assign appropriate user roles for the OpFund web portal, describe the appropriate user roles for the user’s needs, and respond to questions. WASS security coordinators, PHA staff, and the PHA’s third-party staff are invited to attend. The dates and the links to access are as follows:

- Monday, December 21, 2020 (2:00–2:45 p.m. Eastern Time), click [here](#) to access.
- Tuesday, December 22, 2020 (2:00–2:45 p.m. Eastern Time), click [here](#) to access.

Attendees must use Google Chrome to participate.

According to the announcement, the following are common issues that prevent users from creating the SF-424 form or prevent the executive director from submitting it:

- User is assigned more than one user role
- User is missing the PHA assignment for the roles assigned
- The executive director is not assigned the OPD role
- Unable to create the SF-424 form due to multiple roles assigned to one user

You can access the most updated [PHA User Guide to Assigning WASS Roles](#) at the OpFund web portal. If you need additional assistance, contact REAC - Technical Assistance Center (TAC) by calling 1-888-245-4860 Option #4 or by emailing REAC_TAC@hud.gov.
