HUD to Hold Training on Submitting Forms HUD-52723, HUD-52722, and SF-424

In an email yesterday to the Financial Management Division (FMD) [mailing list](#), HUD's Office of Public and Indian Housing (PIH) announced that it has scheduled a training session to show PHAs how to use the [operating fund web portal](#) to download and submit the CY 2021 HUD-52723 and HUD-52722 Excel tools and resubmit the form SF-424.

The training, targeted to PHA executive directors, PHA staff, and organizations that support PHAs, will be held Thursday, February 18, 2021, at 2:30 p.m. Eastern Time. Click [here](#) to access. Attendees must use Google Chrome to participate and the Q and A panel to ask questions. Participants can also email questions to opfundwebportal@hud.gov. In submitting questions, attendees are asked to use the subject line "Questions PHA 52723/52722" or "Questions SF-424."

As you recall, this year PHAs must submit their completed Excel tools through the OpFund web portal's PHA Form 52723/52722 submission module, not by email. Excel tools are due on or before March 9, 2021.

OCI Updates Development per Unit Funding Report
