EDITOR'S NOTE

The NMA office will be closed Monday for the Memorial Day holiday and will reopen Tuesday morning. Enjoy your holiday.

GENERAL NEWS

OLHCHH Announces Healthy Homes Month

HUD's Office of Lead Hazard Control and Healthy Homes ([OLHCHH](#)) has announced that June 2021 is National Healthy Homes Month ([NHHM](#)). This year's theme, "The Power of Partnerships," highlights the support of partners, which helps reach target audiences and broadens the range of techniques for educating communities, families, and individuals. Specifically, this year's National Healthy Homes Month focuses on the following:

- Increasing awareness of housing-related health hazards, lead poisoning prevention, and the overall principles of a healthy home, especially for low-income populations.
- Encouraging residents to take the actions and steps for safe and healthy homes.

HUD has posted an NHHM [Campaign Resource Toolkit](#) and other resources to help encourage local implementation. You can find links to these and other related materials on the [NHHM page](#) at [HUD's website](#).

For help with your PIH Alert subscription, email [Laurie Durrett](#). For questions and comments on content, email [Olga Vélez](#). To view or post job announcements at our website, click [here](#). To view our seminar calendar, click [here](#). To read the NMA blog, click [here](#).
