HUD Publishes NOFA for 2021 Healthy Homes Production Grant Program

Recently on [grants.gov](#), the Department of Housing and Urban Development (HUD) [posted](#) the notice of funding availability (NOFA) for the fiscal year 2021 [Healthy Homes Production Grant](#) program, part of HUD's overall [Healthy Homes Initiative](#). The program takes a comprehensive approach to addressing multiple childhood diseases and injuries in the home by focusing on housing-related hazards in a coordinated fashion, rather than addressing a single hazard at a time. Funding of approximately \$40,000,000 is available through this NOFA. The application deadline date is **September 21, 2021**. You'll find more information on [this page](#) at HUD's [Funding Opportunities](#) website.

HUD's Office of Lead Hazard Control and Healthy Homes ([OLHCHH](#)) is holding a webinar on the Healthy Homes Production Grant Program NOFA on Thursday, August 19, 2021, from 2:00 to 3:30 p.m. Eastern Time. The event will provide attendees the opportunity to ask questions concerning the funding opportunity. To register, click [here](#).
