PIH Posts CY 2021 ESDC Guidance

Yesterday on the [CY 2021 operating fund grant processing webpage](#), HUD’s Office of Public and Indian Housing ([PIH](#)) posted a [guidance document](#) for the calendar year (CY) 2021 Elderly/Disabled Services Coordinator (EDSC) program. The document is careful to note that the EDSC program is not the same as the former ROSS-Elderly and Persons with Disabilities program or the current ROSS-Service Coordinators program—only PHAs that received funding in 1995 through the EDSC program are eligible to receive operating fund (OpFund) grant to finance this activity. Eligible PHAs may obtain their CY 2021 EDSC funding level by multiplying their total CY 2020 EDSC funding level by the CY 2021 PEL inflation factor and making a reasonable allocation to the project level at the discretion of the PHA. The CY 2021 EDSC listing by PHA is currently listed as “coming soon.” Further details can be found in the [guidance document](#).
