HUD Posts PHA Best Practices During COVID-19 Webinar Materials

Yesterday on the [HUD Exchange News webpage](#), the Department of Housing and Urban Development (HUD) announced that it has posted the materials for the webinar titled "[Resuming Inspections, Deferred Maintenance, and Work Order Backlog](#)," the fifth in its series "[PHA Best Practices During COVID-19](#)." The series provides PHAs with best practices, recommendations, and solutions related to improving operations, program compliance, and financial management during the COVID-19 pandemic.

The webinar, held on July 29, 2021, discussed some of the challenges PHAs are facing in regard to maintaining physical conditions of public housing units, including preparing to resume inspections and addressing any backlog of work orders. The materials posted include the [recording](#), [transcript](#), and [slides](#) of the webinar.
