Let Rego Be Your Guide

# Managed Support for Apptio

Industry-Leading Apptio Support. Unparalleled Customer Service.

Rego specializes in delivering world-class, responsive guidance and support for Apptio. Our support model ensures that you have experienced, knowledgeable resources addressing your requests and exceeding your expectations.

## Choose the Support Model that Fits Your Needs

## Value to You

- Rego resources are experienced practitioners with excellent communication skills and 5 to 10 years of Apptio experience
- Work with named resources—you will know your support team by name
- Unmatched response time (100% same-day)
- Rego's Apptio support resources are onshore in North America
- Flexible, pay-for-what-you-use model that provides only the services you need
- Competitive pricing that's typically 20-30% less than competing support services

Focus on what's truly important: your business objectives.  
Let Rego manage and deliver the work.
