Rego's Unique Approach to Agile Coaching and Transformations

Rego brings industry best-practices to help our clients create a strategy for deploying agile capabilities.

Competitive Rates

Rego offers competitive rates with a lean-agile approach. We introduce quick-wins and a long-term roadmap.

Strategic Advisors

Our trainers are certified experts (SAFe, Scrum, Kanban) coaches with years of experience supervising large-scale Agile transformations and implementations. We understand the practical and tactical aspects of effectively combining tools and methods to enable team agility.

Traditional/Hybrid Project Management

Rego knows that PMOs and traditional project management go hand-in-hand with Agile, which is why we help you find processes and tools that are designed to meet your needs.

Tool Neutral Approach

Agile is not "one size fits all," which is why we take a tool neutral approach to facilitate your organization's agile transformation.

Free Training

Our free training courses and webinars are designed to facilitate end-user adoption
