Let Rego Be Your Guide

Rally Software

Rally Software® Health Check

You Have a Vision.

Let Rego Consulting and Broadcom Get You There.

Actionable Insights to Boost Performance

Rally Software Health Assessments for current Rally Software clients accelerate maturity and process development, leadership messaging, and adoption strategies

Each health assessment facilitates your Agile transformation and Rally capabilities with a **Rally Assessment, high-level Agile Process Assessment, and Recommendations Report**

Your Free Health Assessment includes the following:

- Up to 10 hours of interviews with a Rego expert guide covering both Rally configuration and Agile practices
- Analysis through environment reviews of customization and use
- Tailored findings and a recommendations report
- Results and Roadmap review with leadership for quick-wins, medium-term, and long-term maturity opportunities
- A thorough audit and an Agile and Rally Assessment Report that provides valuable insights to boost performance

The Advantage of Rego + Broadcom

We quickly identify improvement areas

You'll work with certified Agile expert practitioners who are Rally experts

Get best-in-class Agile and Rally methodologies to fit your unique situation
