Let Rego Be Your Guide

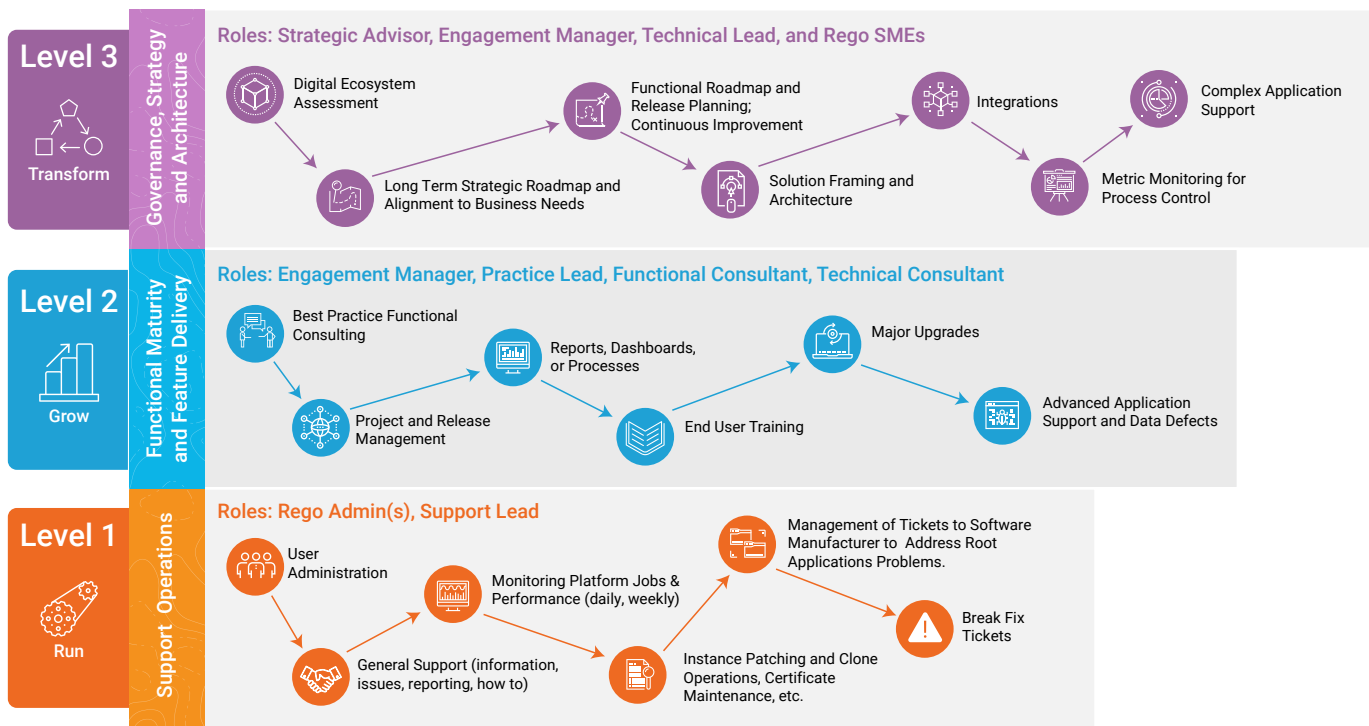

servicenow

Managed Support for ServiceNow

Industry-Leading Support. Unparalleled Customer Service.

Rego specializes in delivering world-class, responsive guidance and support for ServiceNow. Our support model ensures that you have experienced, knowledgeable resources addressing your requests and exceeding your expectations.

Choose the Support Model that Fits Your Needs

Value to You

- Rego resources are experienced senior practitioners with excellent communication skills
- Work with named resources—you will know your support team by name
- Unmatched response time (100% same-day)
- Upgrade support available
- Option for on-site support visits
- Expert strategic planning and program management for a fraction of the cost of in-house resources

Focus on what's truly important: your business objectives.
Let Rego manage and deliver the work.
