## RTG IS COMMITTED TO DELIVERING SMART SOLUTIONS TO COMPLEX CHALLENGES IN HEALTHCARE REAL ESTATE

**R**ealty Trust Group ("RTG") provides innovative real estate solutions so that healthcare leaders save money, manage risks, and enhance delivery of care. We believe "real estate follows strategy" and are committed to an advisory-first approach to serving our clients and their real estate portfolios. Our team of healthcare real estate experts is committed to providing every client independent and objective real estate advice and working with healthcare leaders to balance strategic, operational, and financial objectives.

RTG offers a full spectrum of healthcare real estate services including advisory, development, transactions, operations, and compliance. With over 100 employees and 6 regional offices, RTG serves clients in over 30 states, manages over 14.5 million square feet of healthcare assets, and has completed over \$2.2 billion in healthcare transaction volume.

RTG's core values are integrated into everything we do, both in our offices and in our client interactions. These values have helped us create a vibrant culture of respect, trust and integrity.

### Our core values:

- We Value Relationships – A Lot.
- Integrity.
- We Question Ourselves and Double Check Each Other.
- A Culture of Self-motivation and Execution.
- Encourage & Embrace Change.
- Remember the Big Picture.

RTG's mission and core values are also reflected in our Talent Advancement Plan and Charitable Initiative Program.

The Talent Advancement Plan is a structured approach to attract, develop, and retain elite talent. This program fosters the growth of future leaders, ensuring individual growth and sustainability of the firm.

The Charitable initiative allows team members to support local charitable organizations of their choice through paid time off and financial matching opportunities. We are proud to have supported over 70 charitable organizations committed to promoting health-related initiatives in our communities.
