

GIVING YOU THE TOOLS TO EXERCISE WITH CARE.

Introducing the Hoya Optical Care Kit.

The thought of re-opening your practice, and having to safeguard your staff and patients in our new reality of COVID-19 may be overwhelming. Couple that with having to source your own Personal Protection Equipment (PPE) can be a daunting task. Well, good news, as the Ally of the Independent Practice, Hoya Vision Care Canada has been working on a solution to get you started. Introducing - **The Hoya Optical Care Kit.**

The items within the Hoya Optical Care Kit have all been chosen based on the minimum requirements outline by the World Health Organization (WHO) and have been reviewed and approved by our medical advisor.
