## **CERTIFICATE OF DEPOSIT DISCLOSURE:**

Rate and Annual Percentage Yield Information: Certificates of Deposit are interest-bearing accounts. The interest rate and annual percentage yield are accurate as of the date indicated at the top of this rate page. If you would like more current rate and yield information, please call us at (952)944-6050. The interest rate and annual percentage yield will not change for the term of your Certificate of Deposit. Interest begins to accrue on the business day you deposit noncash items (for example, checks). The annual percentage yield assumes interest compounds annually and will remain on deposit until maturity. A withdrawal from this account will reduce earnings on the account.

Interest Compounding Frequency and Crediting Information: Interest is credited to the account at maturity for 3 Month to 12 Month Certificates of Deposit. Interest is compounded and credited to account annually for Certificates of Deposit with maturities of greater than one year.

Balance Information: The minimum balance to obtain the stated annual percentage yield is the same as the opening balance requirement. We use the daily balance method to calculate the interest on your account. This method applies a daily periodic rate to the principal in the account each day.

Opening Balance Requirement: \$500.00 deposit is required to open a Certificate of Deposit or IRA Certificate of Deposit.

Deposit Limitations: After the account is opened, additional deposits to your Certificate of Deposit are not allowed until maturity.

Early Withdrawal Penalties: For Certificates of Deposit less than 12 months, a penalty of 91 days interest may be imposed. For Certificates of Deposit 12 months to 23 months, a penalty of 182 days interest may be imposed. For Certificates of Deposit 24 months and greater, a penalty of 365 days interest may be imposed. Some exceptions may apply.

Renewal: This account will automatically renew. You will have a grace period of 10 calendar days after the maturity date to withdraw funds without a penalty. If you do not withdraw the funds, each renewal term will be for an identical term as the original term. If your account is not renewed, the funds will be paid directly to you.
