Title: Substitute School Nurse

Part-Time, As Needed Position

Pay based on Experience and Degree level

Overview:

Liberty Christian School is a private Christian school located in Owings Mills, Baltimore County. Founded by Liberty Church in September 1980, the school has long been a vision of the church leaders and members to serve the Baltimore and Carroll County communities. The mission of Liberty Christian School is to partner with Christian families to provide a quality Christ-centered education. The vision of Liberty Christian school is to prepare graduates spiritually and academically to impact the world for Christ.

The School Nurse is an integral part of our schools daily function. This person provides clinical assessment, intervention, referral and management to Liberty Christian students, and adult staff. With COVID there is a need to track emergent community health issues and maintain surveillance of communicable disease within the community. Communicate with students, employees, and parents/caregivers as appropriate regarding proactive health care practices. A dedication to diversity, equity, and inclusion work, and an understanding of the importance of adult engagement in community life, are essential.

Responsibilities:

- The school nurse responds to medical emergencies, maintains electronic student health records, and oversees student health concerns.
- This person is also responsible to fill in for the full time nurse at Liberty Christian in the management and implementation of a coordinated school health program that is consistent with the Maryland state laws and Department of Public Health regulations governing school health and those that regulate nursing practice.
- In addition to providing assessment and care for actual and potential health issues, the nurse consults and coordinates with parents, faculty, the student support teams, and outside clinicians in the interest of student health, especially during major health crises.
- A role model for students in conduct and character
- Successfully pass doctrinal review based on Westminster Confession
- Other duties are included in this position and a more complete description is available upon request

Chain of Command:

- The school nurse reports directly to the Head of School.

Biblical Integration Responsibilities:

- Models and instructs students in a biblical worldview based on reformed theology

Qualifications:

- Associates Degree-RN or BSN
- A licensed registered nurse in the state of Maryland.
- A minimum of three years of experience in nursing and/or school health in an educational setting, preferably in an independent school.
- Demonstrated experience in a collaborative environment.
