Learner's Permit and Road Test Scheduling

Learner's Permits Scheduled for Customers of All Ages

Effective immediately, Class D and M learner's permit reservations can be scheduled online by ALL applicants 16 years or older, regardless of age or birthday. This also applies for applicants for license reinstatement if a learner's permit is required for reinstatement.

Road Test Scheduling

Road tests originally scheduled during normal RMV business hours from March 16th through May 17th are in the process of being re-scheduled and are expected to be completed by July 21st. New road tests will be available for the public to schedule online during the week of June 29th.

The alternative schedule driving school road tests originally scheduled for March will be completed by June 27th. The RMV has resumed accepting driving school weekend road test requests.
