

REGISTRY OF MOTOR VEHICLES

MAIA

Training Update

December 11, 2020

Online Registration Renewal and Duplicate Changes

Effective immediately, the following changes have been implemented for online registration renewal and duplicate transactions.

Form 2290 for Vehicles Over 55,000 Pounds

Customers renewing vehicles over 55,000 pounds now have the option to upload Form 2290 (Heavy Highway Vehicle Use Tax Return) during the online renewal. A dedicated RMV team will review the form and send the customer a link to renew.

Previously, customers had to present the Form 2290 in person when renewing.

Replacement Decals

Customers can now request a replacement decal when ordering a duplicate registration online.
