# NEWS You Can Use

## Online Indiantown Phone Directory Now Available

The online version of our Indiantown Phone Directory link is now available at the ITS Fiber website home page or go to [www.itsfiber411.com](http://www.itsfiber411.com)

Local Indiantown residential and business white page listings and Yellow pages are here in the online version. Printed hard copies were mailed to customers in July. Extra copies are available at our business office, 15931 SW Warfield Blvd.

## Beware of the “COVID-19” Phone Scams

Because of the current COVID-19 situation, there are some scammers out there preying on consumer fears over the coronavirus pandemic by calling and/or texting with scam offers for free home testing kits, bogus cures, fake health insurance, and more.

## Special Notice for Telecom & Water/Wastewater Subscribers

Many of you are subscribers to both ITS Fiber services and to water/wastewater services from our sister company, Indiantown Company. Changes to how your services are billed will begin on

September 1st due to the pending sale of Indiantown Company to the Village of Indiantown.

## We are implementing these changes in two phases.

Phase 1 will be implemented starting September 1, 2020.

- Phase 1 only applies if you get a COMBINED water/wastewater and telecom services (ITS Fiber) invoice
- Detailed instructions for Phase 1 are found in links below:

# IN THE COMMUNITY

## ITS Fiber Gives to the Boys + Girls Club Through Indiantown Chamber Donation

Shaun Keil and Angela Hoffman, from The Boys & Girls Clubs of Martin County, presented an oversized “thank you” card to Indiantown Chamber business members during their August 13th breakfast. The card recognized those companies who donated toward a combined \$10,000 gift to the Club’s essential COVID-19 Meal-Relief Program. The Indiantown Branch of the Boys and Girls Club received the funds to assist with their efforts to continue providing food for their members and the greater community, who have lost a daily nutritious meal. Through the generosity and support of Indiantown Chamber business members like, ITS Fiber and many others, the local Indiantown families in need will continue to have this relief program.

## ITS Fiber’s MaX Meeting Allows Indiantown Village Candidates to Share Their Platforms Live

The Indiantown Chamber of Commerce held a “Meet the Candidates” Breakfast at

the Outpost Restaurant in Indiantown on August 13, 2020 to allow candidates running for the first and second seats of the Village of Indiantown Council to express their platforms to local businesses. ITS Fiber assisted the Chamber by setting up the MaX Meeting video conference technology for the Candidates to be live via a video link. Citizens and companies who could not attend due to the COVID-19 limit of 50 persons were able to see and hear what the Village Council candidates had to say.
